PREFACE

This third annual Ninth Circuit Survey is devoted to summary and analysis of decisions by the Court of Appeals for the Ninth Circuit. This issue surveys cases which were decided between June 1, 1976 and May 31, 1977. Although the court of appeals sits throughout the year, this survey will be referred to as the 1976-77 term. Ninth Circuit cases falling within the term have been cited by month and year of decision.

Since our staff was somewhat limited, not all cases could be discussed. Therefore, a brief description of important cases has been provided in the appendix. The cases are listed by subject matter for easy reference.

Included in this Survey is an article based upon interviews with members of the Ninth Circuit. Our sincere appreciation to Professor Stephen L. Wasby for graciously making this contribution to the Survey.
