FOREWORD

This issue of Notes and Comments features two articles by contributing authors. Peter Jan Honigsberg is on the adjunct faculty staff of Golden Gate University School of Law. James A. Dikel collaborated with him on the lead article. The article by Catherine Louise Buchanan, printed here in its entirety, is also slated to be published in the European Intellectual Property Review in an abridged form. The Comments, written by students, examine specific recent developments or trends in the law. The issue displays a wide range of topics and a high quality of writing, deserving of the attention of practicing attorneys and legal researchers.

I wish to take this opportunity to express my appreciation to Barbara J. Savery for her diligent efforts in securing and editing contributed articles, in addition to her “bluebooking” responsibilities. I would also like to acknowledge the assistance of my associate editors, Catherine Beaulieu, James A. Dikel and Bonnie Rollin. They have provided considerable support and guidance to me as well as to their writers.
