INTRODUCTION

This report contains summaries of bills that were referred to, and considered by, the Assembly Transportation Committee during the 2007-2008 Session. Bills that were passed by the Legislature and became law are shown with the chapter number; bills that were vetoed by the Governor or that otherwise failed to become law are so noted.

Some bills could have been appropriately placed in several subject categories; an effort was made to place each bill under the most appropriate subject heading.

Acronyms for various agencies used in this report are as follows:

Air Resources Board (ARB)

Bay Area Rapid Transit District (BART)

California Highway Patrol (CHP)

California Transportation Commission (CTC)

Department of Motor Vehicles (DMV)

Department of Transportation (Caltrans)

Environmental Protection Agency (EPA)

Federal Aviation Administration (FAA)

Public Utilities Commission (PUC)

State Highway Route (SR)

State Transportation Improvement Program (STIP)

Appendix – List of 2007-2008 Bills

ABANDONED VEHICLES, PARKING, TOWING

AB 138 (Bass) Would have allowed veterans whose vehicles display license plates honoring Pearl Harbor Survivors, Legion of Valor recipients, former American Prisoners of War, Congressional Medal of Honor recipients, or Purple Heart recipients to park their vehicles that weigh not more than 6,000 pounds gross weight, without charge, in certain parking spaces. **Died on Suspense in the Assembly Appropriations Committee**

AB 190 (Bass) Allows veterans whose vehicles display specified license plates for distinguished service to park without charge in metered parking spaces if approved by the appropriate local authority's governing body. **Chapter 588, Statutes of 2008**

AB 226 (Huff) Would have allowed a peace officer to impound a vehicle upon the issuance of a "Notice of Reexamination" to a driver. **Failed passage in the Senate Transportation and Housing Committee**

AB 463 (Huffman) Allows a vehicle equipped with a lift, ramp, or assistive equipment that is used for the loading or unloading of disabled persons to park in two adjacent parking stalls on a street or highway or in a private parking facility if there is no single parking space immediately available that is suitable for that purpose. **Chapter 387, Statutes of 2007**

AB 468 (Ruskin) Expands the circumstances under which a county service authority for the abatement of abandoned vehicles may use the revenue it generates from imposing a \$1 annual vehicle registration surcharge, requires that the use of the funds be audited each year, and modifies the statutory authority to abate abandoned vehicles. **Chapter 389, Statutes of 2007**

AB 602 (DeVore) Requires any contract between a local government and a private entity for the processing of notices of parking violations and notices of delinquent parking violations to be based on either a fixed monthly rate or on the number of notices processed. **Chapter 13, Statutes of 2008**

AB 996 (Spitzer) Would have allowed confidential home addresses maintained by DMV to be disclosed to a governmental agency in order to serve or collect a traffic, parking, toll bridge, or toll road violation. Would have provided that the applicable statutory time periods for processing traffic, parking, toll bridge, or toll road violations are tolled until DMV provides a home address that is otherwise held confidential by DMV. **Vetoed by the Governor**

AB 1069 (Cook) Would have added mobilehomes to the abandoned vehicle abatement program. **Died in the Senate Transportation and Housing Committee**

AB 1531 (DeSaulnier) Raises the fine for illegally parking in a space reserved for disabled persons. Requires disabled parking spaces to be signed indicating the minimum fine for violations. Allows temporary placards to be renewed no more than six times. **Chapter 413, Statutes of 2007**

AB 1575 (Richardson) Increases the amount a lienholder may charge the legal owner or lessor of a vehicle for work or services rendered or performed at the request of any person other than the legal owner or lessor, without their written consent, to \$1,500 for any work or services, \$1,025 for any storage or safekeeping of the vehicle or rental of a parking space, and \$1,250 for that storage or safekeeping if an application for an authorization to conduct a lien sale has been filed. **Chapter 121, Statutes of 2007**

AB 1940 (DeVore) Would have allowed pregnant women in their last trimester of pregnancy through their first two months after giving birth to qualify for temporary disabled parking placards. **Failed passage in Assembly Transportation Committee**

AB 1950 (Lieu) Would have established a pilot program authorizing the sale of surrendered vessels prior to their potential or eventual abandonment. **Vetoed by the Governor**

AB 2401 (Karnette) Provides that the new owner of a vehicle is not responsible for parking citations issued prior to when he or she acquired ownership of the vehicle. **Chapter 741, Statutes of 2008**

AB 2402 (LaMalfa) Allows commercial motor vehicles to spend up to ten hours in a roadside rest area without being towed. **Chapter 460, Statutes of 2008**

SB 279 (Yee) Allows local law enforcement agencies, with respect to highways under their respective jurisdictions, to cite and tow motor vehicles parked along a state highway for purpose of sale. **Chapter 89, Statutes of 2007**

AERONAUTICS

AB 700 (Lieu) Would have required ARB to undertake a study of air pollution around the Santa Monica Airport. **Died on Suspense in the Senate Appropriations Committee**

AB 1407 (Lieu) Would have required airports serving over one million passengers annually to publish on their websites information about airport and airline operations. **Vetoed by the Governor**

AB 1943 (Leno) Would have established rights for airline passengers who are detained in an airplane for over three hours either before takeoff or after landing. **Died on the Senate Floor**

AB 2142 (Swanson) Authorizes the temporary collection of a customer facility charge imposed on airport car rental customers at the Oakland International Airport. **Chapter 228, Statutes of 2008**

AJR 37 (Lieu) Memorializes the FFA to engage in a collaborative process to review the safety of flight operations at Santa Monica Municipal Airport. **Resolution Chapter 127, Statutes of 2008**

SB 911 (Wiggins) Extends from January 1, 2009, to January 1, 2013, the sunset date on provisions regulating commercial balloon operators and amends minimum liability insurance noticing requirements. **Chapter 706, Statutes of 2008**

SJR 32 (Padilla) Urges Congress to approve the Aviation Investment and Modernization Act of 2007 and the FAA Reauthorization Act of 2007. **Resolution Chapter 69, Statutes of 2008**

AIR QUALITY

AB 99 (Feuer) Would have required ARB to ensure that 50% of new passenger and light-duty trucks, beginning in 2012, sold in California are clean alternative vehicles, and that all such vehicles sold in 2020 be clean alternative vehicles. **Failed passage in the Assembly Transportation Committee**

AB 118 (Nunez) Beginning July 1, 2008, and until January 1, 2016, increases the smog abatement fee from \$12 to \$20 and directs \$4 to the Alternative and Renewable Fuel and Vehicle Technology Fund and \$4 to the Air Quality Improvement Fund. Also, in the same time period, increases vehicle registration fees from \$31 to \$34, vessel registration fees from \$10 to \$20 and \$20 to \$40 as applicable, and specified service fees for identification plates from \$15 to \$20. Authorizes ARB to adopt guidelines for a statewide Enhanced Fleet Modernization Program to compensate vehicle owners who voluntarily retire or replace passenger cars or light-duty trucks that are high polluters. **Chapter 750, Statutes of 2007**

AB 218 (Saldana) As considered by the committee, this bill would have required, for a vehicle subject to biennial Smog Check requirements, a certificate of compliance to be submitted with a motor vehicle renewal registration application in order for the application to be deemed complete. The bill was ultimately amended to deal with the Electronic Waste Recycling Law. **Died on Suspense in the Senate Appropriations Committee**

AB 233 (Jones) Requires ARB to adopt an enforcement plan for diesel emission control regulations for manufacturers, owners, or operators of on-road and off-road vehicles. Increases from \$100 to \$300 the penalty for violating anti-idling regulations for heavy-duty diesel vehicles. Prohibits DMV from renewing the registration of heavy-duty diesel vehicles that are under citation by ARB until the owner has cleared that citation. **Chapter 592, Statutes of 2007**

AB 255 (De Leon) Would have increased from \$12 to \$16 the annual Smog Abatement Fee imposed on newer motor vehicles exempt from biennial inspection under the Smog Check program and earmarked the additional revenue to provide subsidies for the development and use of alternative fuels. **Died on Suspense in the Assembly Appropriations Committee**

AB 493 (Ruskin) Would have provided a rebate of up to \$2,500 to the buyer of a new motor vehicle that emits relatively low amounts of greenhouse gases and air pollutants and imposed a surcharge of up to \$2,500 on the buyer of a new motor vehicle that emits relatively high volumes of these gases and pollutants. **Failed passage on the Assembly Floor**

AB 575 (Arambula) Would have required projects funded by Proposition 1B bond act proceeds allocated by ARB for air quality improvements along trade corridors to meet specific criteria; would have given funding priority for bond funds to projects that provide the greatest benefits compared to the cost. **Died on Suspense in the Assembly Appropriations Committee**

AB 616 (Jones) Would have required vehicles 15 years or older to undergo annual smog inspections. **Died in the Senate Rules Committee**

AB 630 (Price) Would have established an alternate procedure for regulations to be adopted by ARB, if proposed by the South Coast Air Quality Management District, preceding the granting of a waiver by United States Environmental Protection Agency. **Died on Suspense in the Assembly Appropriations Committee**

AB 695 (Karnette) Revises DMV boat registration requirements to ensure compliance with ARB regulations pertaining to emissions and pollution caused by marine engines and personal watercraft. **Chapter 609, Statutes of 2007**

AB 712 (De Leon) Would have required persons disposing of solid waste at a disposal facility to pay a 50-cent per ton tipping fee. Would have required ARB to spend the funds so generated to help pay the operator's eligible actual costs of complying with ARB regulations to reduce diesel particulate matter and criteria air pollutant emissions. **Died on Suspense in the Senate Appropriations Committee**

AB 746 (Krekorian) Would have directed the PUC, by July 1, 2008, and in consultation with specified entities, to implement policies and programs that are in the best interests of ratepayers and that promote the increased use of natural gas as a transportation fuel. **Died in Senate Rules Committee**

AB 747 (Levine) Would have codified the Governor's Executive Order that establishes a low-carbon fuel standard for transportation fuels through a market-based approach. **Died in Assembly Transportation Committee**

AB 829 (Duvall) Allows aftermarket and performance parts to be sold and installed on motorcycles prior to or concurrent with the motorcycle's transfer to the buyer if the parts have received an exemption through an ARB Executive Order. **Chapter 325, Statutes of 2007**

AB 1077 (Lieber) Would have established a 19-member California Plug-In Hybrid Electric Vehicle Coordinating Council to coordinate plug-in hybrid electric vehicle-related activities of the state and established a goal of at least one million plug-in hybrid vehicles on California roads by 2015. **Died on Suspense in the Senate Appropriations Committee**

AB 1119 (Fuller) Would have required ARB, in developing eligibility criteria for emission control devices funded under emission reduction grant programs, to take all reasonable steps to consider the number of manufacturers capable of providing verified devices in order to ensure adequate competition among manufacturers and lower prices for the devices. **Died in the Senate Environmental Quality Committee**

AB 1209 (Karnette) Allows the owners of Clean Air-stickered hybrid vehicles that are nonrepairable or total loss salvage vehicles to be issued new Clean Air stickers for any qualifying replacement hybrid vehicle they may purchase. **Chapter 429, Statutes of 2008**

AB 1440 (Wolk) Would have required ARB to provide \$15 million in demonstration grants for hydraulic assist and hybrid electric propulsion systems in medium- and heavy-duty trucks. **Died on Suspense in the Assembly Appropriations Committee**

AB 1488 (Mendoza) Includes diesel-powered vehicles manufactured after the 1997 model-year and diesel-powered vehicles with a gross vehicle weight rating of less than 8,501 pounds in the biennial Smog Check Program, starting January 1, 2010. **Chapter 739, Statutes of 2007**

AB 2241 (Saldana) Imposes a \$50 fee for the issuance of a temporary permit to operate a motor vehicle whose registration requires certification of compliance with exhaust emissions requirements. **Chapter 451, Statutes of 2008**

AB 2316 (Ruskin) Would have required the Little Hoover Commission to conduct a study on the existing state programs that remove older vehicles from operations, including those that pass smog inspections. **Died on Suspense in the Assembly Appropriations Committee**

AB 2522 (Arambula) Allows the San Joaquin Valley Air Pollution Control District to increase motor vehicle registration surcharges to up to \$30 per vehicle per year and to adopt rules and regulations to reduce vehicle trips. **Chapter 677, Statutes of 2008**

AB 2546 (De La Torre) Would have defined railyards as facilities that are subject to regulation under the Air Toxics "Hot Spots" Information and Assessment Act of 1987. **Died on Suspense in the Senate Appropriations Committee**

AB 2558 (Feuer) Would have authorized the Los Angeles County Metropolitan Transportation Authority to impose a fee on either motor vehicle fuels or vehicle registrations to fund countywide climate change mitigation. **Died on the Senate Floor**

AB 2560 (Lieu) Would have required the Department of General Services to establish criteria to rank the environmental and energy benefits and costs for the potential procurement of medium- and heavy-duty vehicles by state and local governments. **Vetoed by the Governor**

AB 2645 (Nunez) Would have provided clarifying changes to the existing Alternative and Renewable Fuel and Vehicle Technology Program. **Died in the Senate Committee on Transportation and Housing**

AB 2655 (DeSaulnier) Would have required ARB to adopt regulations by July 15, 2009, to improve indoor air quality in school districts and to prohibit engine crankcase emissions. **Died on Suspense in the Assembly Appropriations Committee**

AB 2744 (Huffman) Would have provided authority to the Metropolitan Transportation Commission to impose a fee on motor vehicle fuels in its jurisdictional area. **Failed passage in the Assembly Transportation Committee**

AB 2922 (DeSaulnier) Clarifies mobile source penalties enforced by ARB to include enforcement penalties for portable fuel containers, spouts, engines, or other units subject to regulation. **Chapter 687, Statutes of 2008**

AJR 40 (De Leon) Memorializes the President to urge that immediate steps be taken to rectify the existing air quality conditions related to fine particulate matter (PM 2.5) exposure in the South Coast air basin. **Resolution Chapter 90, Statutes of 2008**

AJR 53 (Huffman) Encourages the President and Congress to support two federal legislative bills, the "Reducing Global Warming Pollution from Vehicles Act of 2008," and "The Right to Clean Vehicles Act of 2008," that would allow California to implement its pending standards to reduce greenhouse gas emissions from motor vehicles. **Resolution Chapter 92, Statutes of 2008**

HR 22 (Ruskin) Resolves that November 2008 is officially designated Alternative Fuel Vehicle Awareness Month. **Adopted**

SB 19 (Lowenthal) Would have established criteria for funding projects from funds available under Proposition 1B to reduce air emissions associated with goods movement. **Died in the Assembly Appropriations Committee**

SB 23 (Cogdill) Requires the San Joaquin Valley Unified Air Pollution Control District to develop and implement a voluntary program to replace high polluting vehicles with donated low-emission vehicles. **Chapter 634, Statutes of 2007**

SB 70 (Florez) Would have authorized the state, cities, counties, mass transit districts, and school districts to use a biodiesel fuel blend of greater than 20% biodiesel to operate their diesel-powered vehicles if certain conditions are met. **Vetoed by the Governor**

SB 140 (Kehoe) As considered by the committee, would have required, within one year after ARB made a specified determination, at least 2% of all diesel fuel sold or offered for sale in the state to contain renewable diesel fuel and two years thereafter, that at least 5% of all diesel fuel sold or offered for sale in the state contain renewable diesel fuel. The bill was subsequently amended to deal with state-owned property in the City of San Diego. **Chapter 513, Statutes of 2008**

SB 155 (Cox) Gives small-volume gasoline service stations in five rural counties two extra years (until April 2011) to install on their pumps enhanced vapor recovery systems required by ARB regulations. **Chapter 702, Statutes of 2008**

SB 210 (Kehoe) Would have required ARB, on or before January 1, 2010, to develop, implement, and enforce a low-carbon fuel standard in order to reduce the carbon content of transportation fuels in California. **Vetoed by the Governor**

SB 240 (Florez) Would have required the San Joaquin Valley Unified Air Pollution Control District to increase fees on stationary and mobile sources in order to provide funds for emission reduction programs. **Died on Suspense in the Assembly Appropriations Committee**

SB 303 (Ducheny) Would have required transportation agencies to develop an initial planning scenario and an alternative planning scenario to be submitted to ARB to determine compliance with the goals of the Global Warming Solutions Act of 2006. **Died on Suspense in the Assembly Appropriations Committee**

SB 974 (Lowenthal) Would have imposed a fee on container cargo imported and exported through the ports of Long Beach, Los Angeles, and Oakland in an amount not to exceed \$30 per twenty-foot equivalent unit. **Vetoed by the Governor**

SB 1028 (Padilla) Requires ARB to adopt rules and regulations governing motor vehicle emissions that are necessary, cost-effective, and technologically feasible and that, together with other measures, will achieve federal ambient air quality standards. **Chapter 669, Statutes of 2007**

SB 1240 (Kehoe) As considered by the committee, would have required ARB to develop, implement, and enforce a low-carbon fuel standard to reduce the carbon content of transportation fuels in California. It was subsequently amended to deal with real estate brokers. **Vetoed by the Governor**

SB 1573 (Florez) Would have assigned responsibility for prescribing Smog Check emission standards to the ARB. **Vetoed by the Governor**

SB 1646 (Padilla) Deletes the 2010 sunset date on the South Coast Air Quality Management District's authority to impose an additional \$1 fee on motor vehicles that are registered within its boundaries to fund programs to reduce air pollution from motor vehicles. Increases, from 2.5% to 5%, the amount that the District may spend on its administrative costs. **Chapter 724, Statutes of 2008**

BUS SAFETY

AB 101 (Ma) Authorizes the City and County of San Francisco to issue citations based on photo-evidence of transit only lane parking violations. **Chapter 377, Statutes of 2007**

AB 830 (Ma) Specifies that a parent may contract with a charter-party carrier that operates a vehicle carrying between 11 and 25 persons to or from school-related activities. Requires the Department of Education to review and, if necessary, revise its training courses and requirements for classroom instruction and behind-the-wheel training to ensure that they appropriately address vehicles that carry between 11 and 25 persons. **Chapter 649, Statutes of 2008**

AB 1492 (Laird) Allows the Santa Cruz Metropolitan Transit District and the Santa Clara Valley Transportation Authority to authorize a transit bus to be equipped with a right-of-way yield sign on the left rear of the bus. **Chapter 451, Statutes of 2007**

SB 650 (Migden) As considered by the committee, authored by Senator Padilla, would have allowed transit agencies to operate articulated buses and trolley coaches up to 65 feet in length without annually obtaining a permit from Caltrans. The bill was subsequently amended to change authors and would have authorized agricultural employees to select collective bargaining representation through a specified "majority signup election" process. **Vetoed by the Governor**

DRIVER LICENSING

AB 24 (Richardson) Would have required driver education and driving schools to provide information associated with the risks involved in, and the sanctions imposed for, evading or fleeing a peace officer. **Died on Suspense in the Assembly Appropriations Committee**

AB 421 (Benoit) Reduces, from 10 days to 5 days, the amount of time allowed for the clerk of a court to forward abstracts of court records of convictions for Vehicle Code violations to DMV. **Chapter 746, Statutes of 2007**

AB 430 (Benoit) Makes conforming changes to statutory provisions relating to reckless driving and speed contests to include recently enacted provisions with enhanced penalties for specified injuries. **Chapter 682, Statutes of 2007**

AB 645 (Feuer) Prohibits an individual who is convicted of a 2-point violation from attending traffic school and permits court discretion in expunging convictions of these violations from an individual's record. **Chapter 161, Statutes of 2007**

AB 758 (Plescia) Requires DMV to prepare a comprehensive plan and report to the Legislature regarding the licensing of both classroom and home study traffic violator schools. Increases the fee that traffic violator schools may charge students to issue a duplicate certificate of completion. Establishes conditions under which a traffic violator school is not required to provide a program of instruction for a fee that is less than the standard fee. **Chapter 396, Statutes of 2007**

AB 808 (Parra) Requires driver's license applicants to sign the following declaration as a condition of licensure: "I am hereby advised that being under the influence of alcohol or drugs, or both, impairs the ability to safely operate a motor vehicle. Therefore, it is extremely dangerous to human life to drive while under the influence of alcohol or drugs, or both. If I drive while the influence of alcohol or drugs, or both, and as a result, a person is killed, I can be charged with murder." **Chapter 748, Statutes of 2007**

AB 866 (Davis) Would have required DMV to give service priority to certain members of the California National Guard and US Armed Forces Reserves. **Died on Suspense in the Assembly Appropriations Committee**

AB 966 (Krekorian) Would have required DMV to include with every driver's license renewal notice that is mailed to a licensed driver a notice that anyone who is 62 years of age or older may be issued, free of charge, an identification card bearing the notation "Senior Citizen." **Vetoed by the Governor**

AB 1099 (Portantino) Would have made various changes in the statutory framework governing traffic violator schools. **Died on Suspense in the Assembly Appropriations Committee**

AB 1433 (Huff) Would have sought to bring DMV's issuance of driver's licenses and identification cards into compliance with the federal Real ID Act. **Failed passage in the Assembly Transportation Committee**

AB 1661 (Cook) Would have required DMV to afford male applicants under the age of 26 the opportunity to register with the Selective Service System. **Died on Suspense in the Assembly Appropriations Committee**

AB 1958 (Swanson) Would have added certain veterinarians, firefighters, and code enforcement officers to the list of occupations whose records are granted enhanced confidentiality by DMV. **Died on Suspense in the Assembly Appropriations Committee**

AB 2039 (Arambula) Removes employment-based enhanced confidentiality of DMV records if the protected person is terminated from employment because of a criminal conviction. **Chapter 91, Statutes of 2008**

AB 2107 (Mullin) Would have required a provisional driver's license applicant under the age of 18 to submit proof that he or she is enrolled in high school, has graduated from high school, is employed, has demonstrated a need to provide transportation for family members, or is an emancipated minor. **Died on Suspense in the Assembly Appropriations Committee**

AB 2319 (Horton) Requires DMV to establish, by January 1, 2011, a renewal-by-mail, or renewal through its Internet web site, program for identification cards. **Chapter 674, Statutes of 2008**

AB 2414 (Fuller) Would have authorized a local or county School Attendance Review Board to recommend suspension of a pupil's provisional driver's license if that pupil is under the age of 18 and has not completed the specified requirements for graduation or engages in truant behavior. **Died on Suspense in the Assembly Appropriations Committee**

AB 2742 (Furutani) Expands the existing law definition of "firefighter equipment" to include leased or rented equipment for purposes of restricted licensure requirements and provides an exemption for firefighters to use firefighter equipment if they are participating in a substance abuse program. **Chapter 368, Statutes of 2008**

SB 60 (Cedillo) Would have required DMV to issue driver's licenses that are compliant with the federal Real ID Act and also to issue driver's licenses that permit driving, but are not acceptable for federal ID or for any other official federal purposes, to those applicants who do not meet the full licensure requirements of the federal Real ID Act. **Vetoed by the Governor**

SB 841 (Calderon) Would have allowed "mature driver improvement" courses to be offered over the Internet. **Died on the Assembly Floor**

SB 1114 (Torlakson) Would have added a fee of \$10 to the cost of an original provisional driver's license to fund automobile driver education and training in public secondary schools. **Died on Suspense in the Assembly Appropriations Committee**

SB 1190 (Oropeza) Reduces from 0.20% to 0.15% the blood alcohol content that triggers heightened consideration by the court to order installation of a certified ignition interlock device after a person has been convicted of driving under the influence. **Chapter 392, Statutes of 2008**

SB 1361 (Correa) Would have allowed a driving under the influence offender to get a restricted license sooner if an ignition interlock device is installed and specified fees are paid. **Vetoed by the Governor**

SB 1388 (Torlakson) Transfers the responsibility for mandating the installation of an ignition interlock device from the court to DMV when a person has been convicted of driving on a suspended license due to a driving under the influence conviction. **Chapter 404, Statutes of 2008**

SB 1394 (Lowenthal) Would have modified the circumstances under which a physician is required to refer a patient who has suffered a lapse of consciousness for a reexamination by DMV. **Vetoed by the Governor**

HIGHWAYS AND BRIDGES

AB 23 (Ma) As considered by the committee, would have required Caltrans to place and maintain an accessible pedestrian signal with an audible indicator and an official control signal that emits a count down display, if that crosswalk crosses a state highway and is within 2,000 feet of a school building or a senior center. The bill was subsequently amended to deal with cabaret theaters. **Chapter 18, Statutes of 2008**

AB 291 (Jeffries) Would have authorized the CTC to relinquish a portion of SR 74 to the City of Lake Elsinore. **Died on Suspense in the Senate Appropriations Committee**

AB 484 (Nava) Would have prohibited Caltrans contractors from disposing of asphalt concrete or Portland cement concrete in a solid waste landfill, except under certain conditions. Would have required Caltrans, if concrete is disposed of in a landfill, to document the circumstances and report them to the Legislature or post the information on its website. **Vetoed by the Governor**

AB 574 (Torrico) Eliminates the four-year sunset date for each of four previously authorized high-occupancy toll lane projects. Authorizes San Diego Association of Governments, Santa Clara Valley Transportation Authority, and Sunol Smart Carpool Lane Joint Powers Authority to issue bonds against program revenues for specific purposes. **Chapter 498, Statutes of 2007**

AB 957 (Spitzer) Expands those types of Caltrans real property holdings that must annually be reported by Caltrans to the Department of General Services to include airspace, excess lands, and properties acquired for highway purposes. **Chapter 59, Statutes of 2007**

AB 1055 (Blakeslee) Authorizes Caltrans to develop a regional plan to meet the environmental mitigation requirements related to highway improvements on SR 99. **Chapter 503, Statutes of 2007**

AB 1495 (La Malfa) Allows an "RV friendly" symbol to be placed on a roadside business sign if Caltrans' criteria are met. **Chapter 119, Statutes of 2007**

AB 1581 (Fuller) Requires cities and counties, upon first placement of a traffic-actuated signal or replacement of the loop detector of a traffic-actuated signal, to install those signals that detect motorcycle and bicycle traffic on the roadway. **Chapter 337, Statutes of 2007**

AB 1915 (Jeffries) Authorizes the relinquishment of a segment of SR 74 in the cities of Perris and Lake Elsinore and SR 49 in the City of Auburn. **Chapter 635, Statutes of 2008**

AB 1954 (Jeffries) Authorizes a value pricing and transit program involving high-occupancy toll lanes on SR 15 in Riverside County. **Chapter 421, Statutes of 2008**

AB 2074 (Nava) Would have required Caltrans, within 30 days after receiving an encroachment permit application, to determine in writing if the application is complete and to notify the applicant of its determination. In the event Caltrans had failed to make a determination within 30 days, the application would have been deemed complete. **Died on the Senate Floor**

AB 2211 (Karnette) Relinquishes to the City of Los Angeles a segment of Interstate 110 from SR 47 (Terminal Island Freeway) to 9th Street in the San Pedro district of Los Angeles.

Chapter 669, Statutes of 2008

AB 2251 (Cook) Would have prohibited the manufacturing and selling of reflective glass beads that are used to reflect light as markings on roadways if those glass beads contain inorganic arsenic in more than 75 parts per million (ppm) or an amount adopted by Caltrans. **Died on Suspense in the Assembly Appropriations Committee**

AB 2326 (Lieu) Provides for the relinquishment of segments of SR 1 and SR 107 to the City of Torrance. **Chapter 639, Statutes of 2008**

AB 2413 (Hayashi) Requires Caltrans to offer for sale, at fair market value, a specific parcel of land in the SR 238 bypass corridor to the City of Hayward or a nonprofit entity for use by meal service programs. **Vetoed by the Governor**

AB 2906 (Tran) Repeals the requirement that the HOV lane on SR 55 in Orange County have a four-foot wide buffer. **Chapter 27, Statutes of 2008**

AB 2999 (Huffman) Establishes procedures for the removal and disposal of animal carcasses on state highways by Caltrans and by state or local agencies having appropriate jurisdiction. **Chapter 257, Statutes of 2008**

ACA 9 (DeVore) As considered by the committee, would have made unused properties held by Caltrans subject to property taxes. The bill was ultimately amended to deal with the State Lottery. **Died on the Assembly floor**
