GGU4YOU

All students should ensure they are able to login to GGU4YOU, the university's Web-based student information system at www.ggu.edu. GGU4YOU is used for online registration, to obtain exam numbers and to view class schedules, grades and program evaluations. Students who do not know their user names or passwords should go to www.ggu.edu/law/ggu4you for assistance. Students who still are unable to login should send a message to lawhelp@ggu.edu requesting assistance.

Students are encouraged to utilize GGU4YOU for web registration, but the following transactions cannot be done online and will require submission of a paper form:

- First-year JD students will be assigned to course sections and their registration will be processed by the Registrar's Office for their first fall and spring terms. No form is required. Part-time JD students will be required to use a paper form for registration for their second fall term.
- Students will generally not be able to use Web registration for courses that require the approval of the associate dean, program director, or instructor for enrollment.
- Students enrolling in courses for which they have not completed the prerequisites at GGU will require the approval of the instructor or program director and will not be able to use Web registration for that course.
- JD students who need an approved waiver of rules to exceed the maximum units for their program type (16 units for students in full-time programs or 12 units for students in part-time programs) will not be able to enroll online for any units above the limit. For the summer term the maximum enrollment is 8 units regardless of academic program, except for HLP or summer abroad programs.

"Express Registration" is a faster way for students to register online than using the "Search and Register" page. Students can use this method if they already know exactly which course sections they want, to quickly add them to their "Preferred Sections List." All course sections available for online registration include an "Xpress ID" number. The numbers are published in the *Course Schedule* and on the GGU Web site.

Once their registration has been processed, either online or manually, students may view the courses in which they are registered by selecting **"My Course Schedule"** from the "Student" menu in GGU4YOU.

PRIORITY REGISTRATION INSTRUCTIONS

Priority registration is available to all continuing students. Priority registration for JD students is made available, as indicated in the table below, based on the anticipated graduation date on record with the Registrar's Office when the priorities are assigned. Students are encouraged to utilize Web registration via GGU4YOU at www.ggu.edu during the priority registration periods listed. Web registration will become available to eligible students in each group at 12:01 AM on the date listed.

Group Number	Priority Group Members	Priority registration start date
1	July 2010 and December 2010 JD graduation candidates, all LLM & SJD students	Monday, March 22
2	May 2011 JD graduation candidates	Monday, March 29
3	All other continuing JD students	Monday, April 5

The Law School Registrar's Office staff will process paper registration forms that have been received during the same priority registration periods that Web registration is made available to each group of students. Forms are processed in random order, not in the order received, and forms submitted in person will not be processed before those that are mailed or before online registration. Forms received after the processing period for a student's priority group will be processed during the next period or during General Registration, whichever comes first. Students using paper registration forms should obtain any necessary approvals before submitting the form; not doing so may delay the student's registration.

Statements of Charges will be mailed to all students who register via paper form. Statements are not automatically mailed to students who use Web registration, but are available upon request from the Registrar's and Financial Aid Offices.

GENERAL REGISTRATION INSTRUCTIONS

Processing during General Registration **April 12-May 28, 2010** is on a first-come, first-served basis. Students are encouraged to utilize Web registration via GGU4YOU at www.ggu.edu if they are not precluded from doing so. Students who experience any problems with online registration may always submit a paper registration form, which can be downloaded from the law school website forms page. After registering for a course, if a student decides not to take it, **the student is responsible for dropping the course**, with prior approval if approval is required, either by using GGU4YOU or by submitting a *Schedule Change Request* form to the Law School Registrar's Office.

DEADLINES FOR SCHEDULE CHANGES

June 7, 2010: to add without the instructor's written approval

June 14, 2010: to drop without tuition charge, or "W" grade

Fees are non-refundable on or after the first day of the term, Tuesday, June 1, 2010.

OFFICE HOURS

Law School Registrar's Office (Room 3310)
Monday - Thursday, 10:00 AM – 6:30 PM
Friday, 9:00 AM – 5:30 PM

ALL STUDENTS MUST REGISTER BY 6:30 PM ON MONDAY, JUNE 14, 2010. STUDENTS WHO DO NOT REGISTER BY THIS DEADLINE MAY BE CHARGED A \$100 LATE REGISTRATION FEE.

REGISTRATION - VISITING STUDENTS/AUDITORS

Registration for visiting students, non-degree candidates, and auditors for the summer term is available April 19-May 28, 2010. Students in these groups are not allowed to use Web registration. Students in these categories, once they are registered, will receive an e-mail providing access information for GGU4YOU, the University's interface to the administrative database, which they can use to view their schedule and grades, obtain their exam ID number or update contact information. For more information, see www.ggu.edu/law/schedules and click on "Registration Instructions." Visiting students are subject to the same academic and administrative policies while here as GGU students and should familiarize themselves with the current Student Handbook which can be found online at www.ggu.edu/law under Law Student Services.

OBLIGATION FOR PAYMENT

Registration constitutes a financial contract between students and the university. Students' rights to university services and benefits are contingent upon making payments as agreed. Students who fail to make payments when they become due may have their registration canceled, services withheld and may be refused admittance to exams. Also, failure to fulfill payment obligations is reportable to relevant bar admission agencies.

In order to complete registration, law school students must either pay all of tuition and fees within five (5) business days of the start of the term (or at the time of registration if registering after the first week of the term), or select one of the other approved payment options. Information on payment methods can be found online through the law school website or on the back or the Statement of Charges. The payment deadline for the summer 2010 term is **Monday, June 7, 2010**.

Student Accounting Services (SAS) may place a hold on the records of students whose accounts are not current, and they will not be allowed to register without the authorization of SAS. Holds also may be placed on students' records by other offices such as the Law School Registrar's Office, or International Student Services, if there are issues that must be resolved before registration. If there is a hold on a student's account, that student will not be allowed to register until the office that instituted the hold has removed or waived it.

JD STUDENTS WITH ADVISING REQUIREMENTS

Students who have been informed that they must have their schedules approved prior to registration must follow these steps:

1. Review the semester course schedule and scheduling notes, list of required and recommended courses, and any additional requirements as imposed by the Academic Standards Committee or Law Student Services. Students may confirm their requirements by viewing their program evaluation report. See Academic Program Evaluation Report section, on page 8, for instructions for viewing your report.
2. Make an appointment with the associate dean or director for student services by visiting Law Student Services or calling 442-6615. Please schedule an appointment for at least three school days prior to the start of your priority registration period.
3. Bring two copies of the completed [Advising Agreement](#) form to your appointment for approval. Once the form has been approved, the Registrar's Office will be instructed to grant you access to Web registration. Any changes to your schedule will require prior approval.
4. Register for courses online. See the Law School Web Registration Instructions for step-by-step instructions.
5. Failure to enroll in all and only the approved courses will be considered a violation of the Standards of Student Conduct and could be grounds for dismissal and/or may trigger the imposition of late fees.

Students who complete these steps in a timely fashion will maximize their course selection and scheduling options.

JD STUDENT ACADEMIC ADVISING NOTES

Fall 2009 admitted JD students (with the exception of students in the HLP program) may register for the summer term online via GGU4YOU if you have no hold on your account which prevents you from doing so.

Upon completion of their first year, students are expected to select their own schedules, and they are encouraged to sign up for an academic advising appointment in Law Student Services to plan their academic careers. Students must complete **88 units** to graduate, including 57 required units and 31 elective units. Students are advised to consult the Schedules & Course Descriptions section of the Student Handbook http://www.ggu.edu/school_of_law/law_student_services/student_handbook and this Web page www.ggu.edu/school_of_law/law_records_registration/course_descriptions/jd_required_courses for additional information and assistance.

JD STUDENT EMPLOYMENT LIMITATIONS

ABA Standard 304(f) prohibits JD students from being employed in excess of 20 hours per week during any week in which the student is enrolled in more than 12 semester units. (Hours worked for clinic credit are not counted towards the 20 hours.) The School of Law prohibits first year full-time students from being employed at all. Failure to comply with these requirements may be considered a violation of the Standards of Student Conduct. Full-time upper division students who anticipate that they will be employed more than 20 hours per week during the semester must request a change to the part-time academic program.

WAIVER OF JD PROGRAM RULES

All JD students are enrolled in either a "full-time" or "part-time" academic program. Full-time students may enroll in a maximum of 16 units per fall or spring semester, as long as they comply with the ABA employment limitations set forth in ABA Standard 304(f) as described in the previous section. Part-time students may enroll in a maximum of 12 units per fall or spring semester. Students in both types of programs may enroll in a maximum of 8 units in the summer session, except for students studying abroad and those in the Honors Lawyering Program. Students who want to enroll in overload units for their program types must first complete a *Petition for Waiver of JD Program Rules* form and submit it to the director for student services for approval. Registration for overload units will not be processed unless the approved petition form is on file with the Law School Registrar's Office. Students requiring a waiver of rules may not register for overload units online via GGU4YOU. Please note that these enrollment maximums do not relate to the requirements for eligibility for financial aid or VA benefits. Financial aid and VA benefit eligibility is based on students' term enrollment status classifications, not their program types.

WAIT-LIST INFORMATION

When a course section is full, students who request enrollment may be wait-listed for that section. Students who are on a wait-list are **not enrolled in the course and are not charged** for it until or unless a seat becomes available and they add the course.

Wait-listed students will be **notified by e-mail if a seat in the course section becomes available before the first day of instruction for the term**. This message will be sent to the e-mail address on file with the Registrar's Office. Because there may be other students eager to enroll, a **time limit will be set** for the notified student to add the course. Students who are notified there is a seat available may add the course via GGU4YOU if they have no restrictions that would prevent them from doing so, or they may submit a *Schedule Change Request* form to the Law School Registrar's Office. If a student does not add the course by the deadline given, their permission to enroll will expire and they will be removed from the wait-list.

Once instruction for the term has begun, the wait-list no longer applies and students may enroll in a wait-listed course only with the instructor's approval.

It is recommended that wait-listed students attend the first class meeting and bring a *Schedule Change Request* form. Some instructors will not accept students who have missed the first class meeting without an excused absence. Sometimes instructors will allow wait-listed students to enroll if there are additional seats available in the classroom, but the capacity of some sections is limited by other considerations. If the instructor will sign a student's *Schedule Change Request* form, and there is space in the classroom, the student may be enrolled in the course section regardless of the student's wait-list status.

Students who are wait-listed for a course and have decided not to enroll in it should remove themselves from the wait-list online or by notifying the Law School Registrar's Office at lawreg@ggu.edu as soon as possible to allow other students a better opportunity.

ENROLLMENT STATUS CLASSIFICATIONS FOR FINANCIAL AID PURPOSES

The Law School classifies students' enrollment status based academic level and the number of units in which they are enrolled in a given term. These enrollment status classifications are used for verification of enrollment for loan deferment purposes and for financial aid eligibility. It is possible for part-time evening students to be enrolled in 12 units and therefore be classified as full-time for financial aid purposes.

Fall & Spring terms	Overload	Full-time	Three-quarter Time*	Half-time	Less than half time

INCOMPLETE COURSES

Where exigent circumstances arise that prevent a student from fulfilling the requirements of a course by the end of the term, the student may submit a *Petition for Incomplete Course*. To receive approval for an incomplete, JD students must obtain the approval of the director for student services, and LLM and SJD students must obtain the approval of their program director. The instructor's approval also is required for courses NOT graded by a final exam. **Students should immediately consult with the associate dean or director for student services should they feel the need to petition for an incomplete. For more information on petitioning for an incomplete course, please refer to the Student Handbook which can be found on the law school website at http://www.ggu.edu/school_of_law/law_student_services/student_handbook.**

If a student's petition for an incomplete course is successful, the student should **not** drop the course.

Students who are completing a course by re-enrolling should not register for the course again. Instead, they should submit a *Notice of Intent to Complete Course* form to the Law School Registrar's Office. Students will be enrolled in their preferred course section, provided there is room, at no tuition charge. Units for courses students are completing under this policy at no tuition charge are not included in calculating their cost of attendance for financial aid purposes. Students who are enrolling only in courses they are attempting to complete, and who are not enrolling in any new courses, will be charged the fees for the term, but no tuition.

EFFECT OF INCOMPLETE COURSES ON GRADUATION

If a student has an outstanding incomplete course at the end of the term after which they intend to graduate, he or she must resolve it by the deadline indicated below or the student's graduation will be postponed until the term in which the course is completed. The deadline for resolving an incomplete grade before it is changed to a "W" for "Withdrawn" is not altered by these deadlines.

ACADEMIC PROGRAM EVALUATION REPORT

The Registrar's Office maintains the Law School's academic program requirements in the student information system. Academic program requirements include required GPAs, required total units, required courses, conditions imposed by the Academic Standards Committee, and the number of elective units needed. Students can view their academic program evaluation report on the Web using GGU4YOU. It is a useful tool for schedule planning prior to registration. To view their reports, students should login to GGU4YOU, click on the "Student" tab and from the menu select "Evaluate Degree Programs". When students have registered for their last term, their report statuses should say "Pending (Anticipated complete)". Students with questions may visit the Registrar's Office, room 3310, or call us at 415-442-6620.

FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT (FERPA)

The Family Educational Rights & Privacy Act affords students certain rights with respect to the privacy of their education records. One of the rights under FERPA is the right to request non-disclosure of "directory information" without written authorization. For more detailed information about what the university classifies as "Directory Information" or about students' rights under FERPA, and to obtain a privacy request form, see the university's website at www.ggu.edu/about/UniversityPolicies/PrivacyPolicy, or go to the Department of Education website at www.ed.gov, or refer to 34 CFR 99.

SPECIAL MATERIALS & LITIGATION PROGRAM SUPPORT FEES

The School of Law assesses Special Materials fees in courses that require excessive amounts of duplicated materials.

These fees are also charged in courses that involve regular use of extra audio-visual equipment, rental of off-campus facilities or use of the Moot Court Room. With respect to courses in the Litigation Program, the following fee schedule has been designed to distribute the costs among program participants:

<u>Litigation Course</u>	<u>Fee</u>
Trial Advocacy	\$50.00
Basic Skills/Substantive Courses	\$20.00
Mock Trial Course and Competition	\$50.00
Advanced Skills/Practicum Courses	\$10.00

The **Trial Advocacy** fee will defray the extraordinary costs including rental of audio-visual equipment, bailiffs and courtroom security, and expenses for non-faculty attorneys who assist with the course.

The **Mock Trial** fee will defray extraordinary costs including rental of audio-visual equipment, bailiffs and courtroom security, and expenses for non-faculty attorneys who assist in evaluating student work and costs associated with participation in inter-school trial competitions.

Notes on fees

1. In the event that a litigation course may also require duplication of special materials, the cost of the special materials will be added to the litigation program support fee.
2. All fees will appear on the students' *Statement of Charges*.
3. Fees are non-refundable, effective on the first day of instruction for the term. When a student drops a course that has a Special Materials Fee after that date, the student may receive a credit for the Special Materials Fee only if the course is dropped on or before **Monday, June 14, 2010**. The special materials must be returned by the same date in an unused condition to Associate Dean Greg Egertson. If these conditions are met, Dean Egertson will approve the request for a credit for the Special Materials Fee and will instruct Student Accounting Services to make an account adjustment.

A list of courses that have a special materials fee is posted on the law school Registrar's Office [Bulletin Board](#)

SCHEDULE CHANGES

Every term, changes are made to the course schedule after it is published. Courses may be added or canceled, class meeting days or times may be changed and instructors may be entered. Changes made after the course schedule is published will be posted in a running list as a PDF document on the course schedule page for the term on the law school website http://www.ggu.edu/school_of_law/law_records_registration/class_schedules.

After the course schedule is posted on the website, the online schedule will be updated as changes are made. Consequently, the online schedule on the Web will be the most current.

CLASSROOM ASSIGNMENTS

Classroom assignments are not included in the published schedule because classrooms may change. While room assignments may be printed on a students' Statement of Charges, students should be aware that **classrooms are subject to change**. Students should check the lists posted on the 2nd and 3rd floors at the start of the term to verify classroom assignments. After the start of the term, classroom changes will be posted outside the room from which the course section is being moved, and on the Registrar's bulletin board in the 3rd floor West corridor. Students enrolled in the class will be notified of changes by email on the day before, whenever possible.

SUMMER 2010 NEW COURSES COURSE DESCRIPTIONS

LLM 321E International Taxation II (2 units)

Detailed review and analysis of the anti-deferral provisions of Subpart F and the Passive Foreign Investment Company ("PFIC") rules. Analysis of the asset and stock cross-border rules of Sec. 367 and Sec. 1248. Overview of transfer pricing provisions as related to anti-deferral provisions. Prerequisites: International Taxation I and Corporate Tax.

LAW 743R Riding the IP Wave: Legal & Technical Skills Needed for New Technology Issues (3 units)

Substantive Content: The course will examine the legal issues involved in Cloud Computing Service Agreements (where your data and software is maintained and updated by a third party, greatly reducing your computer hardware and software costs, but exposing you to risk of data theft, access problems, and related concerns); Virtual Reality websites like Second Life; Massive Multiplayer Online Games (MMPOG) like World of Warcraft; and social networking sites, like MySpace, Facebook and YouTube. Issues to be covered will focus on the impact these new technologies have on rights of privacy, rights of publicity, copyright and fair use, including the newly developed defense of transformativeness; time allowing, we will also discuss the legal issues involved in the Google Book project and its proposed class action settlement.

Skills Training Component: The skills training component of the class will focus on developing students' skills in negotiating and drafting agreements. Midway through the course, the students will be divided into two groups - service providers and customers, of a cloud computing service business. They will then, in class, negotiate the terms of a service agreement, and based on that negotiation, they will do a one week take home midterm assignment in which they will draft the service agreement. Students will examine a closed universe filing of a complaint alleging breach of the service contract and discuss the issues involved in the complaint in class. Thereafter, the students will again be in their two groups, this time for the purpose of seeing if a settlement negotiation will be successful. If it is, students' take home final will be to draft the settlement agreement. If settlement is not reached, students in those groups will be assigned to draft an opening statement for trial.

ADVANCE EXAM RESCHEDULING

Students requesting an advance rescheduling of examinations must submit an *Exam Rescheduling Form* to the exam coordinator in Room 3342 by **6:30 P.M. Friday, June 25, 2010**, and then only under the following circumstances:

- i. A student has two School of Law examinations that are scheduled to start within a 23-hour period (not including take home exams and first-year midterms);
- ii. A student has three School of Law examinations on three consecutive days (not including take home exams);
- iii. A student's religious beliefs prohibit the taking of an examination at the scheduled time;
- iv. Student participation in a law school competition or course work for which the student is receiving academic credit.

The examination coordinator will determine which exam to move in the case of situation 1 or 2, above. If more than one exam is rescheduled, the exams normally are kept in the same order.

Exams will **not** be rescheduled for vacations, airplane tickets, family events, business conflicts, or conferences. In addition, School of Law exams will not be rescheduled due to conflicts with exams at other law schools or other programs in the university.

Exceptions to this policy **might** be granted (with timely and appropriate documentation) for the wedding of an immediate family member (parent, sibling, child) IF the student has a role in the ceremony AND the student has a direct time conflict.

Students are prohibited from discussing exam reschedule requests with their instructors. All exam reschedule requests or questions must be directed to the examination coordinator.

SUMMER 2010 SCHEDULE OF FINAL EXAMS

(See the on-line Student Handbook Examination Procedures for further information.)

Students may request a decision on an exam rescheduling question before registering or before the last day to drop for 100% tuition refund.
