GGU4YOU

All students should ensure they are able to login to GGU4YOU, the university's Web-based student information system at www.ggu.edu. GGU4YOU is used for online registration, to obtain exam numbers and to view class schedules, grades and program evaluations. Students who do not know their user names or passwords should go to www.ggu.edu/law/ggu4you for assistance. Students who still are unable to login should send a message to help@ggu.edu requesting assistance.

Students are encouraged to utilize GGU4YOU for web registration, but the following transactions cannot be done online and will require submission of a paper form:

- First-year JD students will be assigned to course sections and their registration will be processed by the Registrar's Office for their first fall and spring terms. No form is required. Part-time JD students will also be enrolled in Constitutional Law I, Criminal Law and Property by the Registrar's Office for their second fall semester.
- Students will generally not be able to use Web registration for courses that require the approval of the associate dean, program director, or instructor for enrollment.
- Students enrolling in courses for which they have not completed the prerequisites at GGU will not be able to use Web registration for that course and will require the approval of the instructor or program director.
- JD students who need an approved waiver of rules to exceed the maximum units for their program type (16 units for students in full-time programs or 12 units for students in part-time programs) will not be able to enroll online for any units above the limit. For the summer term the maximum enrollment is 8 units regardless of academic program, except for HLP, and the Summer Trial & Evidence Program (1st STEP). Non-GGU summer programs are limited to 6 units.

"Express Registration" is a faster way for students to register online than using the "Search and Register" page. Students can use this method to quickly add course sections to their "Preferred Sections List" if they already know exactly which ones they want. All course sections available for online registration include an "Xpress ID" number. The numbers are published in the *Course Schedule* and on the GGU Web site.

Once their registration has been processed, either online or manually, students may view the courses in which they are registered by logging in to GGU4YOU and selecting **"View My Course Schedule"** from the menu on the 'Registration' page.

PRIORITY REGISTRATION INSTRUCTIONS

Priority registration is available to all continuing students. Priority registration for JD students is made available, as indicated in the table below, based on the anticipated graduation date on record with the Registrar's Office when the priorities are assigned. Students are encouraged to utilize Web registration via GGU4YOU at www.ggu.edu/law/ggu4you during the priority registration periods listed. Web registration will become available to eligible students in each group on the date listed. Students who encounter problems with online registration should contact the Law Registrar's Office at lawreg@ggu.edu with specific information on what error message they received when they submitted their registration. Students who experience problems with online registration can always submit a paper *Registration Request* form, which can be downloaded from the law school website Law Registrar 'Forms' page.

Group Number	Priority Group Members	Priority registration start date
1	May 2013 and July 2013 JD graduation candidates, all LLM & SJD students	Wednesday, November 7
2	All Other JD part-time evening students	Monday, November 12
3	December 2013 JD graduation candidates	Wednesday, November 14
4	May 2014 graduation candidates	Thursday, November 15
5	All other continuing JD students	Tuesday, November 20

The Law School Registrar's Office staff will process paper registration forms that have been received during the same priority registration periods that Web registration is made available to each group of students. Forms are processed in random order, not in the order received, and forms submitted in person will not be processed before those that are mailed or before online registration. Students using paper registration forms should obtain any necessary approvals before submitting the form; not doing so may delay the student's registration.

Statements of Charges will be mailed to all students who register via paper form. Statements are not automatically mailed to students who use Web registration, but are available upon request from the Registrar's and Financial Aid Offices.

GENERAL REGISTRATION INSTRUCTIONS

Processing during General Registration **November 27, 2012- January 4, 2013** is on a first-come, first-served basis. Students are encouraged to utilize Web registration via GGU4YOU at www.ggu.edu/law/ggu4you if they are not precluded from doing so. Students who experience any problems with online registration may always submit a paper registration form, which can be downloaded from the law school website Law Registrar 'Forms' page. After registering for a course, if a student decides not to take it, **the student is responsible for dropping the course**, with prior approval if approval is required, either by using GGU4YOU or by submitting a *Schedule Change Request* form to the Law School Registrar's Office. Students may view their current course schedule in GGU4YOU by selecting "**View My Course Schedule**" from the menu on the "Registration" page to verify that any schedule changes have been made.

DEADLINES FOR SCHEDULE CHANGES	January 11, 2013:	to add without the instructor's written approval
	January 18, 2013:	to drop without tuition charge, or "W" grade

Fees are non-refundable on or after the first day of the term, Monday, January 7, 2013.

OFFICE HOURS	Law School Registrar's Office (Room 3310)
	Monday - Thursday, 10:00 AM – 6:30 PM
	Friday, 9:00 AM – 5:30 PM

ALL STUDENTS MUST REGISTER BY 6:30 PM ON Friday, January 18, 2013. STUDENTS WHO DO NOT REGISTER BY THIS DEADLINE MAY BE CHARGED A \$100 LATE REGISTRATION FEE.

REGISTRATION - VISITING STUDENTS/AUDITORS

Registration for visiting students, non-degree candidates, and auditors for the spring term is available **January 2-4, 2013**. Students in these groups are not allowed to use Web registration. Students in these categories, once they are registered, will receive an e-mail providing access information for GGU4YOU, the University's interface to the administrative database, which they can use to view their schedule and grades, obtain their exam ID number, or update contact information. For more information, see the law school website and search for [Law Student Registration](#). Visiting students are subject to the same academic and administrative policies while here as GGU students and should familiarize themselves with the current [Student Handbook](#) which can be found online at www.ggu.edu/law under Law Student Services.

WAIVER OF JD PROGRAM RULES

All JD students are enrolled in either a "full-time" or "part-time" academic program. Full-time students may enroll in a maximum of 16 units per fall or spring semester, as long as they comply with the ABA employment limitations set forth in ABA Standard 304(f) as described on page 9. Part-time students may enroll in a maximum of 12 units per fall or spring semester. Students in both types of programs may enroll in a maximum of 8 units in the summer session, except for students studying abroad, students in the Summer Trial & Evidence Program (1st STEP), and those in the Honors Lawyering Program (HLP). Non-GGU summer programs are limited to 6 units. Students who want to enroll in overload units for their program types must first complete a [Petition for Waiver of JD Program Rules](#) form and submit it to the director for student services for approval. Registration for overload units will not be processed unless the approved petition form is on file with the Law School Registrar's Office. Students may not register for overload units online via GGU4YOU. Please note that these enrollment maximums do not relate to the requirements for eligibility for financial aid or

VA benefits. Financial aid and VA benefit eligibility is based on students' term enrollment status classifications, not their program types (see page 8).

WAIT-LIST INFORMATION

When a course section is full, students who request enrollment may be wait-listed for that section. Students who are on a wait-list are **not enrolled in the course and are not charged** for it until or unless a seat becomes available and they add the course.

Wait-listed students will be **notified by e-mail if a seat in the course section becomes available before the first day of instruction for the term**. This message will be sent to the e-mail address on file with the Registrar's Office. Because there may be other students eager to enroll, a **time limit will be set** for the notified student to add the course. Students who are notified there is a seat available may add the course via GGU4YOU if they have no restrictions that would prevent them from doing so, or they may submit a [Schedule Change Request](#) form to the Law School Registrar's Office. If a student does not add the course by the deadline given, their permission to enroll will expire and they will be removed from the wait-list.

Once instruction for the term has begun, the wait-list no longer applies and students may enroll in a wait-listed course only with the instructor's approval.

It is recommended that wait-listed students attend the first class meeting and bring a [Schedule Change Request](#) form. Some instructors may not accept students who miss the first class meeting without an excused absence. Sometimes instructors will allow wait-listed students to enroll if there are additional seats available in the classroom, but the capacity of some sections may be limited by other considerations. If the instructor will sign a student's [Schedule Change Request](#) form, and there is space in the classroom, the student may be enrolled regardless of wait-list status.

Students who are wait-listed for a course and have decided not to enroll in it should remove themselves from the wait-list online or by notifying the Law School Registrar's Office at lawreg@ggu.edu as soon as possible to allow other students an opportunity to enroll.

STUDENT HEALTH INSURANCE

All law students are required to have health insurance. Students who are already enrolled in a health insurance plan providing comparable benefits may waive participation in the Law School health insurance plan by submitting an online waiver application. The waiver is effective for one academic year, fall 1012-summer 2013. The opt-out period begins June 1, 2012 and the waiver is valid, once completed, through July 31, 2013. The deadline to waive for spring & summer 2013 is January 11, 2013. Students who waive must do so annually; waivers expire at the end of every academic year. For students who have not opted out, the health insurance fee will be charged to your account at registration for fall and for spring. The fee charged with spring registration covers the spring and summer terms. Graduate legal studies students who are enrolled in 3 units or less per semester are exempt from the health insurance requirement however, they will still need to submit a waiver verifying their enrollment status. The student health insurance plan may be extended to students not enrolled in classes due to an approved leave of absence, visiting away at another school, or HLP students working at an approved apprenticeship. For more information see the law school website under Law Student Services for the [Student Handbook](#).

ACADEMIC PROGRAM EVALUATION REPORT

The Registrar's Office maintains the Law School's academic program requirements in the student information system. Academic program requirements include required GPAs, required total units, required courses, conditions imposed by the Academic Standards Committee, and the number of elective units needed. Students can view their academic program evaluation report on the Web using GGU4YOU. It is a useful tool for schedule planning prior to registration. To view their reports, students should login to GGU4YOU, select "Academic Advising" and from the menu select "View My Program Evaluation Report". When students have registered for their last term their report status should say "Pending (Anticipated complete)". Students with questions may visit the Registrar's Office, room 3310, or call us at 415-442-6620.

JD STUDENTS WITH ADVISING REQUIREMENTS

Students who have been informed that they must have their schedules approved prior to registration must follow these steps:

1. Review the semester course schedule and scheduling notes, list of required and recommended courses, and any additional requirements as imposed by the Academic Standards Committee or Law Student Services. Students may confirm their requirements by viewing their program evaluation report. See Academic Program Evaluation Report section on page 6, for instructions for viewing your report.
2. Make an appointment with the associate dean or director for student services by visiting Law Student Services or calling 442-6615. Please schedule an appointment for at least three school days prior to the start of your priority registration period.
3. Bring two copies of the completed [Advising Agreement](#) form to your appointment for approval. Once the form has been approved, the Registrar's Office will be instructed to grant you access to Web registration. Any changes to your schedule will require prior approval.
4. Register for courses online. See the Law School Web Registration Instructions for step-by-step instructions.
5. Failure to enroll in all and only the approved courses will be considered a violation of the Standards of Student Conduct and could be grounds for dismissal and/or may trigger the imposition of late fees.

Students who complete these steps in a timely fashion will maximize their course selection and scheduling options.

JD STUDENT ACADEMIC ADVISING NOTES

Fall 2011 full-time admits (with the exception of students in the HLP program) are required to take Constitutional Law II in the spring 2013 term. Fall 2011 HLP students are required to take Constitutional Law I in the spring 2013 term.

Fall 2011 part-time admits are required to take Constitutional Law II in the spring 2013 semester.

All Fall 2011 admits **MUST** take Appellate Advocacy in the spring of their second year if they have not taken it already.

Students who decide not to enroll in the spring 2013 term must complete a *Withdrawal from Law School* form, or *Request for Leave of Absence* form. In addition, if they have already registered, they must drop their courses via GGU4YOU or submit a *Schedule Change Request* form to the Law School Registrar's Office by Monday, January 18, 2013, to withdraw from courses and receive a full refund of tuition charges. Term fees are non-refundable once the term has started on Monday, January 7.

Upon completion of their first year, students are expected to select their own schedules, and they are encouraged to sign up for an academic advising appointment in Law Student Services to plan their academic careers. Students must complete **88 units** to graduate. Students are advised to consult the Schedules & Course Descriptions section of the Student Handbook <http://law.ggu.edu/law/law-student-services/organizations-and-student-life/student-handbook> and this Web page <http://law.ggu.edu/law/academics/degree-programs/juris-doctor-full-time-program#curriculum> for additional information and assistance.

INCOMPLETE COURSES

Where exigent circumstances arise that prevent a student from fulfilling the requirements of a course by the end of the term, the student may submit a *Petition for Incomplete Course*. **For more information on petitioning for an incomplete course, please refer to the [Student Handbook](#) which can be found on the law school website under Law Student Services.**

If a student's petition for an incomplete course is successful, the student should **not** drop the course.

Students who are completing a course by re-enrolling should not register for the course again. Instead, they should submit a *Notice of Intent to Complete Course* form to the Law School Registrar's Office. Upon receipt of that form, students will be enrolled in their preferred course section, provided there is room, at no tuition charge. Units for courses students are completing under this policy at no tuition charge are not included in calculating their cost of attendance for financial aid purposes. Students who are enrolling only in courses they are attempting to complete, and who are not enrolling in any new courses, will be charged the fees for the term, but no tuition.

SPECIAL MATERIALS & LITIGATION PROGRAM SUPPORT FEES

The School of Law assesses Special Materials fees in courses that require excessive amounts of duplicated materials.

These fees are also charged in courses that involve regular use of extra audio-visual equipment, rental of off-campus facilities, use of the Moot Court Room, or other use of extraordinary resources.

Notes on fees

1. A list of courses for which a Special Materials Fee is assessed is posted on the law school website on the Law [Course Schedule](#) page and on the [Tuition & Fees](#) page.
2. All fees will appear on the students' *Statement of Charges*.
3. Fees are non-refundable, effective on the first day of instruction for the term. When a student drops a course that has a Special Materials Fee after that date, the student may receive a credit for the Special Materials Fee only if the course is dropped on or before **Friday, January 18, 2013**. The special materials must be returned by the same date in an unused condition to Paul Gibson, Director, Administration & Technology Services. If these conditions are met, Paul Gibson will approve the request for a credit for the Special Materials Fee and will instruct Student Accounting Services to make an account adjustment.

OBLIGATION FOR PAYMENT

Registration constitutes a financial contract between students and the university. Students' rights to university services and benefits are contingent upon making payments as agreed. Students who fail to make payments when they become due may have their registration canceled, services withheld, and may be refused admittance to exams. Also, failure to fulfill payment obligations is reportable to relevant bar admission agencies.

In order to complete registration, law school students must either pay all of tuition and fees within five (5) business days of the start of the term (or at the time of registration if registering after the first week of the term), or select one of the other approved payment options. Information on payment methods can be found online through the law school website or on the back of the Statement of Charges. The payment deadline for the spring 2013 term is **Friday, January 11, 2013**.

Student Accounting Services (SAS) may place a hold on the records of students whose accounts are not current, and they will not be allowed to register without the authorization of SAS. Holds also may be placed on students' records by other offices such as the Law School Registrar's Office or International Student Services, if there are issues that must be resolved before registration. If there is a hold on a student's account, that student will not be allowed to register until the office that instituted the hold has removed or waived it.

ENROLLMENT STATUS CLASSIFICATIONS FOR FINANCIAL AID PURPOSES

The Law School classifies students' enrollment status based on academic level and the number of units in which they are enrolled in a given term. These enrollment status classifications are used for verification of enrollment for loan deferment purposes and for financial aid eligibility. It is possible for part-time evening students to be enrolled in 12 units and therefore be classified as full-time for financial aid purposes.

Fall & Spring terms	Overload	Full-time	Three-quarter Time*	Half-time	Less than half time
JD Students	17 units or more	12-16 units	9-11 units	6-11 units	5 units or less
LLM Students	13 units or more	8-12 units	5-7 units	4-7 units	3 units or less

Summer term	Overload	Full-time	Three-quarter Time*	Half-time	Less than half time
JD Students	9 units or more**	6-8 units	5 units	3-5 units	2 units or less
LLM Students	7 units or more	4-6 units	3 units	2-3 units	1 unit or less

* The three-quarter time enrollment status is used only for VA benefits determination.

**Except HLP or 1st STEP students.

JD STUDENT EMPLOYMENT LIMITATIONS

ABA Standard 304(f) prohibits JD students from being employed in excess of 20 hours per week during any week in which the student is enrolled in more than 12 semester units. (Hours worked for clinic credit are not counted towards the 20 hours.) The School of Law prohibits first year full-time students from being employed at all. Failure to comply with these requirements may be considered a violation of the Standards of Student Conduct. Full-time upper division students who anticipate that they will be employed more than 20 hours per week during the semester must request a change to the part-time academic program.

FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT (FERPA)

The Family Educational Rights & Privacy Act affords students certain rights with respect to the privacy of their education records. One of the rights under FERPA is the right to request non-disclosure of "directory information" without written authorization. For more detailed information about what the university classifies as "Directory Information" or about students' rights under FERPA, see the link in the text on the [Law Registrar page](#) of the law school website, or go to the Department of Education website at www.ed.gov, or refer to 34 CFR 99. The [Request to Prevent Disclosure of Directory Information](#) form is available on the law school website Law Registrar 'Forms' page.

TEXTBOOK INFORMATION

Textbook/course material information, including title, author, and ISBN number will be available at the "View Materials" link in the online course schedule on the section detail page for each course section.

SCHEDULE CHANGES

Every term, changes are made to the course schedule after it is published. Courses may be added or canceled, class meeting days or times may be changed and instructors' names may be entered. Changes made after the course schedule is published will be posted in a running list for the term as a PDF document on the [course schedule page](#) on the law school website.

After the course schedule is posted on the website, the online schedule will be updated as changes are made. Consequently, the online schedule on the Web will be the most current.

CLASSROOM ASSIGNMENTS

Classroom assignments are not included in the published schedule because classrooms may change. While room assignments may be printed on a students' Statement of Charges, students should be aware that **classrooms are subject to change**. Students should check the lists posted on the 2nd and 3rd floors at the start of the term to verify classroom assignments. After the start of the term, classroom changes will be posted outside the room from which the course section is being moved and on the Registrar's bulletin board in the 3rd floor West corridor. Students enrolled in the class will be notified of changes by email on the day before, whenever possible.

SPRING 2013 NEW COURSES COURSE DESCRIPTIONS

LLM 334D Dispute Resolution in Trusts & Estates Practice (2 units)

This course is designed to acquaint students with pretrial litigation practice in a typical Employment Law dispute. The focus will be on giving students a practical and conceptual understanding of those lawyering skills fundamental to conducting the Fact Investigation phase of a civil lawsuit. After getting an overview of the doctrinal framework of Employment Law protections afforded to California employees, students will receive a case simulation that will guide them through various practical lawyering exercises, some of which will be video-recorded. Through those exercises, students will learn how to gather facts, analyze those facts, and develop legal case theories; they will learn questioning strategies and techniques useful for interviewing clients and deposing hostile witnesses; and they will be exposed to other aspects of the litigation process, such as settlement negotiation.

LAW 876E Ethical Prosecutions (2 units)

The number of wrongful criminal convictions is staggering. This course will explore the behavior of prosecutors and emphasize their unique ethical and social responsibilities in their multiple roles as advocates for the community, officers of the court, and seekers of justice. Exploring the unique role of the prosecutor includes investigative, pre-trial and trial responsibilities of the prosecutor. Students will experience, throughout the course, the prosecutor's interactions with law enforcement agencies, supervisors, defense counsel, victims and their families, as well as the charging decisions, witness preparation, case evaluation and re-assessment, and societal pressures of working in a government office. Ethical prosecutions (and prosecutors) too will reduce the number of wrongful convictions and travesties in our criminal justice system. This course would be invaluable to any student considering work as a prosecutor and informative for any student intending to become a criminal defense attorney.

LLM 324 Generation Skipping Transfer Tax & Special Valuation Rules (2 units)

This course studies the generation-skipping transfer tax rules that focus on direct skips, taxable distributions, taxable terminations, and their exceptions, including exceptions for grandfathered trusts. It will also cover the special valuation rules of Sections 2701, 2702, 2703 and 2704 of the Internal Revenue Code. Emphasis is on understanding the statutory provisions, applicable regulations and strategies to minimize or to avoid the impact of the both regimes. Prerequisite: Estate & Gift Taxation or Estate Planning. (Offered through the LLM in Taxation Program. JD students seeking to enroll must obtain the approval of the program director.)

LAW 848A International Law – Annual Survey (1-2 units)

Students who have been selected to edit articles for the Annual Survey of Comparative & International Law may sign-up for this 1-2 credit class with instructor approval in the spring semester of their second or third year of law school. LLM and SJD students are eligible to apply to work on the Annual Survey for credit as well. Students will edit articles submitted by outside and student authors. The production editor may receive 2 credits and all other student editors will receive 1 credit for editing articles. The course includes some mandatory orientation and training sessions at times to be determined early in the spring semester. This course is graded on a Credit/No Credit basis.

LAW 706S Lawyering: Child Abuse & Dependency (2 units)

In this course, students are introduced to the child welfare system, including the laws that govern the reporting and investigation of abuse and neglect, and state action following investigation. In particular, the focus is on dependency court - a unique forum involving multiple parties and participants where judges make decisions affecting the fundamental rights of parents and their children. Students will explore the life of a case from the moment a child becomes a "dependent" under the court's jurisdiction through case dismissal triggered by the establishment of a permanent placement or emancipation.

LAW 706P Lawyering: Pre-Trial Civil Litigation & Employment Law (2 units)

This course is designed to acquaint students with pretrial litigation practice in a typical Employment Law dispute. The focus will be on giving students a practical and conceptual understanding of those lawyering skills fundamental to conducting the Fact Investigation phase of a civil lawsuit. After getting an overview of the doctrinal framework of Employment Law protections afforded to California employees, students will receive a case simulation that will guide them through various practical lawyering exercises, some of which will be video-recorded. Through those exercises, students will learn how to gather facts, analyze those facts, and develop legal case theories; they will learn questioning strategies and techniques useful for interviewing clients and deposing hostile witnesses; and they will be exposed to other aspects of the litigation process, such as settlement negotiation.

LAW 706T Lawyering: Trade Secret Protection & Litigation (2 units)

Trade secrets are an important—yet often overlooked—type of intellectual property that are important to virtually all businesses, especially in the Bay Area's high-technology and biotechnology industries. This course will introduce students to the substantive law, procedure, lawyering skills, strategies, and ethics involved in a typical trade secret misappropriation case. Students will gain experience in evaluating whether a valid trade secret exists, drafting a Complaint and Answer in a litigation proceeding, conducting pretrial discovery (including depositions), and drafting and arguing a pretrial dispositive motion in a simulated case. Throughout the course, students will be guided to develop practical and critical thinking skills in performing tasks (and creating work product) typical in a trade secret misappropriation case in state or federal court. This course is open only to first-year JD students.

LAW 706U Lawyering: US Supreme Court Litigation (2 units)

This course will introduce students to the skills associated with working in judicial chambers and with Supreme Court advocacy. Students will learn the laws behind a select number of today's headline-grabbing Supreme Court cases and will explore the processes by which decision-making occurs at the Court. Using actual certiorari petitions, real appellate briefs and the recordings of oral argument from the current term of the United States Supreme Court, students will practice the skills used by clerks, judges and advocates. Assignments will include writing a bench memo or one section of a judicial opinion, preparing an oral argument memorandum, conducting appellate argument as both an advocate and a justice, and attending an oral argument. This course is open only to first-year JD students.

Course descriptions for active courses are available on the GGU Law School website at www.ggu.edu/law/academics/course-offerings.

Any changes made in this schedule of final examinations after publication of the schedule will come from the office of the Law Registrar. Revised schedules will be posted on the Law School website [Course Schedules](#) page for spring 2013.

ADVANCE EXAM RESCHEDULING

Students requesting an advance rescheduling of examinations must submit an *Exam Rescheduling Form* to the exam coordinator in Room 3342 by **6:30 P.M. Friday, March 29, 2013** and then only under the following circumstances:

- i. A student has two School of Law examinations that are scheduled to start within a 23-hour period (not including take home exams and first-year midterms);
- ii. A student has three School of Law examinations on three consecutive days (not including take home exams);
- iii. A student's religious beliefs prohibit the taking of an examination at the scheduled time;
- iv. Student participation in a law school competition or course work for which the student is receiving academic credit.

The examination coordinator will determine which exam to move in the case of situation 1 or 2, above. If more than one exam is rescheduled, the exams normally are kept in the same order.

Exams will **not** be rescheduled for vacations, airplane tickets, family events, business conflicts, or conferences. In addition, School of Law exams will not be rescheduled due to conflicts with exams at other law schools or other programs in the university.

SPRING 2013 SCHEDULE OF FINAL EXAMS

Exceptions to this policy **might** be granted (with timely and appropriate documentation) for the wedding of an immediate family member (parent, sibling, child) IF the student has a role in the ceremony AND the student has a direct time conflict.

Students are prohibited from discussing exam reschedule requests with their instructors. All exam reschedule requests or questions must be directed to the examination coordinator.

(See the on-line Student Handbook Examination Procedures for further information.)

Students may request a decision on an exam rescheduling question before registering or before the last day to drop for 100% tuition refund.

ExamSoft

All students are eligible to take their exams on their laptop. No additional registration or fee is necessary, but the software must be installed prior to the student's first exam date. For minimum system requirements, go to www.examssoft.com/ggulaw. Installation and login instructions and all other communications will be sent to the email address on file with the Law Registrar. Please confirm that this address is working and correct. For any questions or technical assistance, please contact the Exam Coordinator at 415.369.5201 or lawexam@ggu.edu.

Visiting Students: All visiting students should contact the exam coordinator if they wish to use their laptops on exams while at Golden Gate University School of Law.

Exam Accommodations

Students with a need to request exam accommodations should contact the Disability Services Coordinator at 415.442.7867 or lawds@ggu.edu.
