PURPOSE OF LEGISLATION

The purpose of H.R. 610, the “San Francisco Bay Restoration Act,” as amended, introduced by Representative Jackie Speier (D-CA), is to establish and authorize appropriations for a new U.S. Environmental Protection Agency (EPA) regional program under the *Federal Water Pollution Control Act*, commonly known as the *Clean Water Act*, to support restoration efforts in the San Francisco Bay.

BACKGROUND AND NEED FOR LEGISLATION

The San Francisco Bay Estuary spans roughly 1,600 square miles and drains more than 40 percent of California’s waters. The watershed is critical economically, providing drinking water for

millions of Californians, irrigation for farmland, and supporting millions of jobs and the production of \$370 billion in goods and services.¹ The area also serves as vital ecosystem for bird migration and salmon stocks, as well as a wide range of flora and fauna.

The San Francisco Bay Estuary has been a member of the EPA's National Estuary Program (NEP) since 1993 to address water quality challenges. The estuary experiences exceedances in California state water quality standards for pesticides, invasive species, mercury, and other metals and toxic substances. Surrounding beaches have elevated levels of bacteria due to sewage spills and crumbling sewage infrastructure. According to the EPA, the bay has lost more than 90 percent of shoreline wetlands and 40 percent of the total San Francisco Bay aquatic ecosystem in the past 150 years due to habitat destruction.²

In recent years, San Francisco Bay restoration efforts have received federal appropriations both from the EPA's National Estuary Program (under section 320 of the *Clean Water Act*), as well as a specific federal appropriation to the San Francisco Bay under EPA's Environmental Programs and Management, Geographic Programs subaccount. In fiscal year (FY) 2021, the San Francisco Bay received a federal appropriation of \$8.92 million under the Geographic Programs subaccount (P.L. 106–260).

In August 2018, the Government Accountability Office (GAO) published a report on the coordination of watershed restoration efforts between federal and nonfederal entities in the San Francisco Bay Delta Watershed.³ They found that restoration efforts were stratified in a way that hinders long-term progress. A centralized program providing improved coordination and communication across efforts, along with dedicated federal funding, provides the best chance for long-term restoration and protection of this major geographic area on the west coast.

HEARINGS

For the purposes of rule XIII, clause 3(c)(6)(A) of the 117th Congress, no hearings were held to develop or consider H.R. 610 in the 117th Congress; however, the Committee held the following hearing in the 116th Congress which was used to develop the legislation:

On June 25, 2019, the Subcommittee on Water Resources and Environment held a hearing titled “Protecting and Restoring America’s Iconic Waters.” The Subcommittee received testimony from: Preston D. Cole, Secretary, Wisconsin Department of Natural Resources; Dave Pine, Supervisor, District 1, San Mateo County Board of Supervisors, Chair of the San Francisco Bay Restoration Authority Governing Board; Laura Blackmore, Executive Director, Puget Sound Partnership; William C. Baker, President, Chesapeake Bay Foundation; Kristi Trail, Executive Director, Lake Pontchartrain Basin Foundation; and Tom Ford, Director, Santa Monica Bay National Estuary Program, The Bay Foundation. Topics discussed included the importance of programs dedicated to restora-

LEGISLATIVE HISTORY AND CONSIDERATION

H.R. 610 was introduced in the House on January 28, 2021, by Ms. Speier and 10 original cosponsors and referred to the Committee on Transportation and Infrastructure and the Committee on the Budget. Within the Committee, H.R. 610 was referred to the Subcommittee on Water Resources and Environment.

The Subcommittee on Water Resources and Environment was discharged from further consideration of H.R. 610 on March 24, 2021.

The Full Committee considered H.R. 610 on March 24, 2021, and ordered the measure to be reported to the House with a favorable recommendation, amended, by voice vote.

The following amendment was offered:

An Amendment in the Nature of a Substitute offered by Mrs. NAPOLITANO (#1); was AGREED TO by voice vote.

COMMITTEE VOTES

Clause 3(b) of Rule XIII of the Rules of the House of Representatives requires each committee report to include the total number of votes cast for and against on each record vote on a motion to report and on any amendment offered to the measure or matter, and the names of those members voting for and against.

No record votes were requested during consideration of H.R. 610.

COMMITTEE OVERSIGHT FINDINGS

With respect to the requirements of clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee's oversight findings and recommendations are reflected in this report.

NEW BUDGET AUTHORITY AND TAX EXPENDITURES

Clause 3(c)(2) of rule XIII of the Rules of the House of Representatives does not apply where a cost estimate and comparison prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974 has been timely submitted prior to the filing of the report and is included in the report. Such a cost estimate is included in this report.

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

With respect to the requirement of clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 402 of the Congressional Budget Act of 1974, the Committee has received the enclosed cost estimate for H.R. 610 from the Director of the Congressional Budget Office:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, April 15, 2021.

Hon. PETER A. DEFAZIO,
*Chairman, Committee on Transportation and Infrastructure,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 610, the San Francisco Bay Restoration Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Stephen Rabent.

Sincerely,

PHILLIP L. SWAGEL,
Director.

Enclosure.

H.R. 610, San Francisco Bay Restoration Act			
As ordered reported by the House Committee on Transportation and Infrastructure on March 24, 2021			
By Fiscal Year, Millions of Dollars	2021	2021-2026	2021-2031
Direct Spending (Outlays)	0	0	0

Increases on-budget deficits in any of the four consecutive 10-year periods beginning in 2032?	No	Contains intergovernmental mandate?	No
		Contains private-sector mandate?	No

H.R. 610 would authorize the appropriation of \$25 million annually over the 2022–2026 period for the Environmental Protection Agency (EPA) to establish and operate the San Francisco Bay Program Office. The office would identify annual priorities and would provide grants for projects and activities that support and protect the San Francisco Bay. The bill also would require the office to ensure the San Francisco Bay’s current management plan, approved under EPA’s National Estuary Program, is revised at least every five years. Under the bill, up to 5 percent of the appropriated funds could be used to pay for the San Francisco Bay Program Office’s administrative costs.

CBO estimates that implementing the bill would cost \$109 million over the 2021–2026 period and \$16 million after 2026, assuming appropriation of the specified amounts. Estimated outlays are based on spending patterns for similar programs, though estimated spending in the first year is lower to account for the time required to establish the office. The costs of the legislation, detailed in Table 1, fall within budget function 300 (natural resources and environment).

TABLE 1.—ESTIMATED INCREASES IN SPENDING SUBJECT TO APPROPRIATION UNDER H.R. 610

The CBO staff contact for this estimate is Stephen Rabent. The estimate was reviewed by H. Samuel Papenfuss, Deputy Director of Budget Analysis.

PERFORMANCE GOALS AND OBJECTIVES

With respect to the requirement of clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the performance goal and objective of this legislation is to provide dedicated funding for a centralized program to coordinate restoration efforts for the San Francisco Bay Delta Watershed.

DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee finds that no provision of H.R. 610 establishes or reauthorizes a program of the federal government known to be duplicative of another federal program, a program that was included in any report from the GAO to Congress pursuant to section 21 of Public Law 111–139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

In compliance with clause 9 of rule XXI of the Rules of the House of Representatives, this bill, as reported, contains no congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), or 9(g) of the rule XXI.

FEDERAL MANDATES STATEMENT

The Committee adopts as its own the estimate of federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act (Public Law 104–4).

PREEMPTION CLARIFICATION

Section 423 of the Congressional Budget Act of 1974 requires the report of any Committee on a bill or joint resolution to include a statement on the extent to which the bill or joint resolution is intended to preempt state, local, or tribal law. The Committee finds that H.R. 610 does not preempt any state, local, or tribal law.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act were created by this legislation.

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act (Public Law 104–1).
