NOTES

¹ **Special Materials Fees** will also be assessed in courses that require an excess amount of duplicated materials, use of audio-visual equipment, or rental of off-campus facilities. These fees will be posted prior to general registration each semester.

² **Student Health Insurance** - All law students, JD, LLM & SJD, must have health insurance. Students will be enrolled in the GGU School of Law Kaiser Insurance Plan unless they obtain a waiver. For further information contact lawstudentservices@ggu.edu.

All students should ensure they are able to login to GGU4YOU, the university's Web-based student information system at www.ggu.edu. GGU4YOU is used for online registration, to obtain exam numbers, to view class schedules, grades and program evaluations, and to order an official transcript. Students who do not know their user names or passwords should go to www.ggu.edu/law/ggu4you for assistance. Students who still are unable to login should send a message to help@ggu.edu requesting assistance.

Students are encouraged to utilize GGU4YOU for web registration, but the following transactions cannot be done online and will require submission of a paper form:

- First-year JD students will be assigned to course sections and their registration will be processed by the Registrar's Office for their first fall and spring terms. No form is required. Part-time JD students will also be enrolled in Constitutional Law I, Criminal Law and Property by the Registrar's Office for their second fall semester.
- Students will generally not be able to use Web registration for courses that require the approval of the associate dean, program director, or instructor for enrollment.
- Students enrolling in courses for which they have not completed the prerequisites at GGU will not be able to use Web registration for that course and will require the approval of the instructor or program director.
- JD students who need an approved waiver of rules to exceed the maximum units for their program type (16 units for students in full-time programs or 12 units for students in part-time programs) will not be able to enroll online for any units above the limit. For the summer term the maximum enrollment is 8 units regardless of academic program, except for HLP, and the Summer Trial & Evidence Program (1st STEP). Non-GGU summer programs are limited to 6 units.

"Express Registration" is a faster way for students to register online than using the "Search and Register" page. Students can use this method to quickly add course sections to their "Preferred Sections List" if they already know exactly which ones they want. All course sections available for online registration include an "Xpress ID" number. The numbers are published in the *Course Schedule* and on the GGU Web site.

Once their registration has been processed, either online or manually, students may view the courses in which they are registered by logging in to GGU4YOU and selecting **'View My Course Schedule'** from the menu on the 'Registration' page.

PRIORITY REGISTRATION INSTRUCTIONS

Priority registration is available to all continuing students. Priority registration for JD students is made available, as indicated in the table below, based on the anticipated graduation date on record with the Registrar's Office when the priorities are assigned. Students are encouraged to utilize Web registration via GGU4YOU at www.ggu.edu during the priority registration periods listed. Web registration will become available to eligible students in each group at 12:01 AM on the date listed. Students who encounter problems with online registration should contact the Law Registrar's Office at lawreg@ggu.edu with specific information on what error message they received when they submitted their registration. Students who experience problems with online registration can always submit a paper *Registration Request* form, which can be downloaded from the law school website Law Registrar 'Forms' page.

Group Number	Priority Group Members	Priority registration start date
1	December 2014 JD graduation candidates, all LLM & SJD students	Tuesday, June 17
2	May 2015 and July 2015 JD graduation candidates	Friday, June 20
3	All Other JD part-time evening students	Tuesday, June 24
4	All other continuing JD students	Friday, June 27

The Law School Registrar's Office staff will process paper registration forms that have been received during the same priority registration periods that Web registration is made available to each group of students. Forms are processed in random order, not in the order received, and forms submitted in person will not be processed before those that are mailed or before online registration. Students using paper registration forms should obtain any necessary approvals before submitting the form; not doing so may delay the student's registration.

Statements of Charges will be mailed to all students who register via paper form. Statements are not automatically mailed to students who use Web registration, but are available upon request from the Registrar's and Financial Aid Offices.

GENERAL REGISTRATION INSTRUCTIONS

Processing during General Registration **July 2-August 15, 2014** is on a first-come, first-served basis. Students are encouraged to utilize Web registration via GGU4YOU at www.ggu.edu if they are not precluded from doing so. Students who experience any problems with online registration may always submit a paper registration form, which can be downloaded from the law school website Law Registrar 'Forms' page. After registering for a course, if a student decides not to take it, **the student is responsible for dropping the course**, with prior approval if approval is required, either by using GGU4YOU or by submitting a *Schedule Change Request* form to the Law School Registrar's Office. Students may view their current course schedule in GGU4YOU by selecting '**View My Course Schedule**' from the menu on the 'Registration' page to verify that any schedule changes have been made.

	August 29, 2014:	to drop without tuition charge, or "W" grade

Fees are non-refundable on or after the first day of the term, Monday, August 18, 2014.

	Monday - Thursday, 10:00 AM – 6:30 PM
	Friday, 9:00 AM – 5:30 PM

ALL STUDENTS MUST REGISTER BY 6:30 PM ON FRIDAY, AUGUST 29, 2014. STUDENTS WHO DO NOT REGISTER BY THIS DEADLINE MAY BE CHARGED A \$100 LATE REGISTRATION FEE.

REGISTRATION - VISITING STUDENTS/AUDITORS

Registration for visiting students, non-degree candidates, and auditors for the fall term is available **August 11-15, 2014**. Students in these groups are not allowed to use Web registration. Students in these categories, once they are registered, will receive an e-mail providing access information for GGU4YOU, the University's interface to the administrative database, which they can use to view their schedule and grades, obtain their exam ID number, or update contact information. For more information, see the law school website and search for [Law Student Registration](#). Visiting students are subject to the same academic and administrative policies while here as GGU students and should familiarize themselves with the current [Student Handbook](#) which can be found online at www.ggu.edu/law under Law Student Services.

WAIVER OF JD PROGRAM RULES

All JD students are enrolled in either a "full-time" or "part-time" academic program. Full-time students may enroll in a maximum of 16 units per fall or spring semester, as long as they comply with the ABA employment limitations set forth in ABA Standard 304(f) as described on page 8. Part-time students may enroll in a maximum of 12 units per fall or spring semester. Students in both types of programs may enroll in a maximum of 8 units in the summer session, except for students studying abroad, students in the Summer Trial & Evidence Program (1st STEP), and those in the Honors Lawyering Program (HLP). Non-GGU summer programs are limited to 6 units. Students who want to enroll in overload units for their program types must first complete a [Petition for Waiver of JD Program Rules](#) form and submit it to the director for student services for approval. Registration for overload units will not be processed unless the approved petition form is on file with the Law School Registrar's Office. Students requiring a waiver of rules may not register for overload units online via GGU4YOU. Please note that these enrollment maximums do not relate to the requirements for eligibility for financial aid or VA benefits. Financial aid and VA benefit eligibility is based on students' term enrollment status classifications, not their program types (see page 8).

WAIT-LIST INFORMATION

When a course section is full, students who request enrollment may be wait-listed for that section. Students who are on a wait-list are **not enrolled in the course and are not charged** for it until or unless a seat becomes available and they add the course.

Wait-listed students will be **notified by e-mail if a seat in the course section becomes available before the first day of instruction for the term**. This message will be sent to the e-mail address on file with the Registrar's Office. Because there may be other students eager to enroll, a **time limit will be set** for the notified student to add the course. Students who are notified there is a seat available may add the course via GGU4YOU if they have no restrictions that would prevent them from doing so, or they may submit a [Registration Request](#) form to the Law School Registrar's Office. If a student does not add the course by the deadline given, their permission to enroll will expire and they will be removed from the wait-list.

Once instruction for the term has begun, the wait-list no longer applies and students may enroll in a wait-listed course only with the instructor's approval.

It is recommended that wait-listed students attend the first class meeting and bring a [Registration Request](#) form. Some instructors will not accept students who have missed the first class meeting without an excused absence. Sometimes instructors will allow wait-listed students to enroll if there are additional seats available in the classroom, but the capacity of some sections may be limited by other considerations. If the instructor will sign a student's [Registration Request](#) form, and there is space in the classroom, the student may be enrolled regardless of the student's wait-list status.

Students who are wait-listed for a course and have decided not to enroll in it should remove themselves from the wait-list online or by notifying the Law School Registrar's Office at lawreg@ggu.edu as soon as possible to allow other students a better opportunity.

STUDENT HEALTH INSURANCE

All law students are required to have health insurance. Students who are already enrolled in a health insurance plan providing comparable benefits may waive participation in the Law School health insurance plan by submitting an approved online waiver application by the waiver deadline. The waiver is effective for one academic year, fall 2014-summer 2015. The opt-out period begins June 1, 2014 and the waiver is valid, once completed, through July 31, 2015. The deadline to waive for fall 2014 is August 22, 2014. Students who waive must do so annually; waivers expire at the end of every academic year. For students who have not opted out before the fall waiver deadline, the health insurance fee will be charged to your account at registration for fall and for spring. The fee charged with spring registration covers the spring and summer terms. Graduate legal studies students who are enrolled in 3 units or less per semester are exempt from the health insurance requirement however they still must submit a waiver verifying their enrollment status. The student health insurance plan may be extended to students not enrolled in classes due to an approved leave of absence, visiting away at another school, or HLP students working at an approved apprenticeship, by written request. For more information see the law school website under [Law Student Services](#) or the [Student Handbook](#).

SPECIAL MATERIALS & LITIGATION PROGRAM SUPPORT FEES

The School of Law assesses Special Materials fees in courses that require excessive amounts of duplicated materials.

These fees are also charged in courses that involve regular use of extra audio-visual equipment, rental of off-campus facilities, use of the Moot Court Room, or other use of extraordinary resources.

Notes on fees

1. A list of courses for which a Special Materials Fee is assessed is posted on the law school website on the Law [Course Schedule](#) page and on the [Tuition & Fees](#) page.
2. All fees will appear on the students' *Statement of Charges*.
3. Fees are non-refundable, effective on the first day of instruction for the term. When a student drops a course that has a Special Materials Fee after that date, the student may receive a credit for the Special Materials Fee only if the course is dropped on or before **Friday, August 29, 2014**. The special materials must be returned by the same date in an unused condition to Paul Gibson, Director, Administration & Technology Services. If these conditions are met, Paul Gibson will approve the request for a credit for the Special Materials Fee and will instruct Student Accounting Services to make an account adjustment.

OBLIGATION FOR PAYMENT

Registration constitutes a financial contract between students and the university. Students' rights to university services and benefits are contingent upon making payments as agreed. Students who fail to make payments when they become due may have their registration canceled, services withheld, and may be refused admittance to exams. Also, failure to fulfill payment obligations is reportable to relevant bar admission agencies.

In order to complete registration, law school students must either pay all of tuition and fees within five (5) business days of the start of the term (or at the time of registration if registering after the first week of the term), or select one of the other approved payment options. Information on payment methods can be found online through the law school website or on the back of the Statement of Charges. The payment deadline for the fall 2014 term is **Friday, August 22, 2014**.

Student Accounting Services (SAS) may place a hold on the records of students whose accounts are not current, and they will not be allowed to register without the authorization of SAS. Holds also may be placed on students' records by other offices such as the Law School Registrar's Office or International Student Services, if there are issues that must be resolved before registration. If there is a hold on a student's account, that student will not be allowed to register until the office that instituted the hold has removed or waived it.

JD STUDENTS WITH ADVISING REQUIREMENTS

Students who have been informed that they must have their schedules approved prior to registration must follow these steps:

1. Review the semester course schedule and scheduling notes, list of required and recommended courses, and any additional requirements as imposed by the Academic Standards Committee or Law Student Services. Students may confirm their requirements by viewing their program evaluation report. See Academic Program Evaluation Report section on page 7, for instructions for viewing your report.
2. Make an appointment with the associate dean or director for student services by visiting Law Student Services or calling 442-6615. Please schedule an appointment for at least three school days prior to the start of your priority registration period.
3. Bring two copies of the completed [Advising Agreement](#) form to your appointment for approval. Once the form has been approved, the Registrar's Office will be instructed to grant you access to Web registration. Any changes to your schedule will require prior approval.
4. Register for courses online. See the Law School Web Registration Instructions for step-by-step instructions.
5. Failure to enroll in all and only the approved courses will be considered a violation of the Standards of Student Conduct and could be grounds for dismissal and/or may trigger the imposition of late fees.

Students who complete these steps in a timely fashion will maximize their course selection and scheduling options.

JD STUDENT ACADEMIC ADVISING NOTES

Fall 2013 full-time admits (with the exception of students in the HLP program) are required to take Constitutional Law I in the fall 2014 semester. Constitutional Law II is to be taken in the spring 2015 semester. Students are advised to take at least 3 required courses in their fall 2014 semester including: Constitutional Law I, Evidence or another 4-unit class, Criminal Procedure I, and/or Appellate Advocacy to the extent that there is room in the fall sections (see note #4 on page 18). Note that all fall 2013 admits **MUST** take Appellate Advocacy in the fall or spring of their second year.

Fall 2013 HLP admits are encouraged, but not required, to enroll in 3-5 units during their fall apprenticeships. HLP students may add a sixth unit only with the written approval of the HLP administrative director, so long as they are not enrolled in more than two classroom courses. Students engaged in a full-time apprenticeship may never enroll in more than six (6) units.

Fall 2013 part-time admits must enroll in 10-12 units which must include Constitutional Law I, Property, and Criminal Law in the fall 2014 semester. Students will be required to take Constitutional Law II and are recommended to take Evidence in the spring 2015 semester. Part-time students seeking to take 12 units in the fall term are advised to take Appellate Advocacy (see note #4 on page 18). Note that all fall 2013 admits **MUST** take Appellate Advocacy in the fall or spring of their second year. **Fall 2013 part-time admits will be enrolled in the night sections of Constitutional Law, Criminal Law and Property by the Registrar's Office.** Students are encouraged to seek academic advising from the director or associate dean for student services.

Students who decide not to enroll in the fall 2014 term must complete a *Withdrawal from Law School* form, or *Request for Leave of Absence* form. In addition, if they have already registered, they must drop their courses via GGU4YOU or submit a *Registration Request* form to the Law School Registrar's Office by Friday, August 29, 2014, to withdraw from courses and receive a full refund of tuition charges. **Term fees are non-refundable once the term has started on Monday, August 18.**

Upon completion of their first year, students are expected to select their own schedules, and they are encouraged to sign up for an academic advising appointment in Law Student Services to plan their academic careers. Students must complete **88 units** to graduate. Students are advised to consult the JD Required and Recommended Schedules and Course Listing sections of the [Student Handbook](#) for additional information and assistance.

ACADEMIC PROGRAM EVALUATION REPORT

The Registrar's Office maintains the Law School's academic program requirements in the student information system. Academic program requirements include required GPAs, required total units, required courses, conditions imposed by the Academic Standards Committee, and the number of elective units needed. Students can view their academic program evaluation report on the Web using GGU4YOU. It is a useful tool for schedule planning prior to registration. To view their reports, students should login to GGU4YOU, select "Academic Advising" and from the menu select "View My Program Evaluation Report". When students have registered for their last term their report status should say "Pending (Anticipated complete)". Students with questions may visit the Registrar's Office, room 3310, or call us at 415-442-6620.

INCOMPLETE COURSES

Where exigent circumstances arise that prevent a student from fulfilling the requirements of a course by the end of the term, the student may submit a *Petition for Incomplete Course*. **For more information on petitioning for an incomplete course, please refer to the [Student Handbook](#) which can be found on the law school website under Law Student Services.**

If a student's petition for an incomplete course is successful, the student should **not** drop the course.

Students who are completing a course by re-enrolling should not register for the course again. Instead, they should submit a **Notice of Intent to Complete Course** form to the Law School Registrar's Office. Upon receipt of that form, students will be enrolled in their preferred course section, provided there is room, at no tuition charge. Units for courses students are completing under this policy at no tuition charge are not included in calculating their cost of attendance for financial aid purposes. Students who are enrolling only in courses they are attempting to complete, and who are not enrolling in any new courses, will be charged the fees for the term, but no tuition.

ENROLLMENT STATUS CLASSIFICATIONS FOR FINANCIAL AID PURPOSES

The Law School classifies students' enrollment status based on academic level and the number of units in which they are enrolled in a given term. These enrollment status classifications are used for verification of enrollment for loan deferment purposes and for financial aid eligibility. It is possible for part-time evening students to be enrolled in 12 units and therefore be classified as full-time for financial aid purposes.

Fall & Spring terms	Overload	Full-time	Three-quarter Time*	Half-time	Less than half time
JD Students	17 units or more	12-16 units	9-11 units	6-11 units	5 units or less
LLM Students	13 units or more	8-12 units	5-7 units	4-7 units	3 units or less

Summer term	Overload	Full-time	Three-quarter Time*	Half-time	Less than half time
JD Students	9 units or more**	6-8 units	5 units	3-5 units	2 units or less
LLM Students	7 units or more	4-6 units	3 units	2-3 units	1 unit or less

* The three-quarter time enrollment status is used only for VA benefits determination.

**Except HLP or 1st STEP students.

JD STUDENT EMPLOYMENT LIMITATIONS

ABA Standard 304(f) prohibits JD students from being employed in excess of 20 hours per week during any week in which the student is enrolled in more than 12 semester units. (Hours worked for clinic credit are not counted towards the 20 hours.) The School of Law prohibits first year full-time students from being employed at all. Failure to comply with these requirements may be considered a violation of the Standards of Student Conduct. Full-time upper division students who anticipate that they will be employed more than 20 hours per week during the semester must request a change to the part-time academic program.

FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT (FERPA)

The Family Educational Rights & Privacy Act affords students certain rights with respect to the privacy of their education records. One of the rights under FERPA is the right to request non-disclosure of "directory information" without written authorization. For more detailed information about what the university classifies as "Directory Information" or about students' rights under FERPA, see the link in the text on the [Law Registrar page](#) of the law school website, or go to the Department of Education website at www.ed.gov, or refer to 34 CFR 99. The [Request to Prevent Disclosure of Directory Information](#) form is available on the law school website Law Registrar 'Forms' page.

TEXTBOOK INFORMATION

Textbook/course material information, including title, author, and ISBN number will be available at the "View Materials" link in the online course schedule on the section detail page for each course section.

SCHEDULE CHANGES

Every term, changes are made to the course schedule after it is published. Courses may be added or canceled, class meeting days or times may be changed and instructors' names may be entered. Changes made after the course schedule is published will be posted in a running list for the term as a PDF document on the [course schedule page](#) on the law school website.

After the course schedule is posted on the website, the online schedule will be updated as changes are made. Consequently, the online schedule on the Web will be the most current.

CLASSROOM ASSIGNMENTS

Classroom assignments are not included in the published schedule because classrooms may change. While room assignments may be printed on a students' Statement of Charges, students should be aware that **classrooms are subject to change**. Students should check the lists posted on the 2nd and 3rd floors at the start of the term to verify classroom assignments. After the start of the term, classroom changes will be posted outside the room from which the course section is being moved and on the Registrar's bulletin board in the 3rd floor West corridor. Students enrolled in the class will be notified of changes by email on the day before, whenever possible.

19. **LAW REVIEW WRITERS, LAW REVIEW ASSOCIATE EDITORS, and LAW REVIEW BOARD** – Open to Law Review Members only. Membership on Law Review is determined in two ways: by first-year grades (top 10%) or through a writing competition. Specific timing of the writing competition will be announced before the end of the spring semester. Students who will have completed 30 units of first-year required courses by the end of the spring semester (full-time first-year or part-time second-year students), are eligible to participate in the writing competition or to be invited to join by virtue of class ranking. Membership requires a two year commitment.

Members who are completing their first year on Law Review must sign up for LAW 861A Law Review Writer (2 units/fall, 1 unit/spring).

Members who are completing their second year on Law Review, but who are not on the Law Review Board, must sign up for LAW 861C Law Review Associate Editors (2 units/fall, 1 unit/spring).

Members who are on the Law Review Board, must sign up for LAW 861D Law Review Board (1-2 units/fall, spring, and 1-2 summer). This is required of all Law Review Board members during the fall and spring terms with the unit value depending on position. Registration for this course must be done on paper and requires the signature of the Editor-in-Chief.

If exigent circumstances prevent students from fulfilling their Law Review commitment, students may substitute the Independent Study course for Law Review units by notifying the Law Review Editor-in-Chief and submitting a *Schedule Change Request* form (dropping Law Review and adding Independent Study) and a *Petition for Independent Study* form to the Registrar's Office. The student must find a faculty adviser to supervise the Independent Study, and have the faculty adviser and the Director for Law Student Services sign the *Petition for Independent Study* form. Students will not be allowed to petition for an incomplete grade in Law Review. The student's transcript will note withdrawal from Law Review.

20. **ENVIRONMENTAL LAW JOURNAL (ELJ)** - Membership on ELJ is determined in two ways: by first year grades for day students and second year grades for night students (top 10% after the spring semester) or through an application process held every April. Mandatory seminar sessions of not more than 12 hours will be scheduled during the first semester of membership. Registering for ELJ requires a one-year commitment. Grading for ELJ is on a credit/no credit basis.

ELJ Writers must register for **LAW 862A ENVIRONMENTAL LAW JOURNAL WRITERS I** (2 units) in their first semester and for **LAW 862B ENVIRONMENTAL LAW JOURNAL WRITERS II** (1 unit) in their second semester of membership.

ELJ Associate Editors (not members of the ELJ Editorial Board) must register for **LAW 862C ELJ ASSOCIATE EDITORS** (2 units/fall, 1 unit/spring).

ELJ Editorial Board Members must register for **LAW 862D ELJ EDITORIAL BOARD** (1-2 units/first semester, 1-2 units/second semester with the unit value depending on position). Registration for this course must be done on paper and requires the signature of the Editor-in-Chief.

If exigent circumstances prevent students from fulfilling their ELJ commitment, students may substitute the Independent Study course for ELJ units with permission of the ELJ Editor-in-Chief and must submit a *Schedule Change Request* form (dropping ELJ and adding Independent Study) and a *Petition for Independent Study* form to the Registrar's Office. The student must find a faculty adviser to supervise the Independent Study, and have the faculty adviser and the Director for Law Student Services sign the *Petition for Independent Study* form. Students will not be allowed to petition for an incomplete grade in the Environmental Law Journal. The student's transcript will note withdrawal from ELJ.

23. **PROPERTY §LSN** – The night section of Property will require 5 additional class meetings. These classes will be scheduled on dates to be determined by the instructor.
24. **TORTS §LSN** - The night section of Torts will require 5 additional class meetings. These classes will be scheduled on dates to be determined by the instructor.

26. **COMPETITION: MOCK TRIAL** and **COMPETITION: ADVANCED MOCK TRIAL** - First time participants must try out to compete in mock trial and tryouts are held during the first week of classes. Students may compete in more than one term if they are invited or selected for competition teams. Following invitations and tryouts, the Director of Litigation sends the Registrar a list of students eligible to enroll in these courses: LAW 899G Competition: Mock Trial for first-time competitors and LAW 899J Competition: Advanced Mock Trial for returning competitors. **Students cannot register for these courses during the law school's regular registration period.** Instead, during the second week of classes each semester, after the Director sends the list to the Registrar, eligible students may enroll by submitting a *Schedule Change Request* form.

These courses will now feature a **regular class meeting** for all students enrolling in either course (including students participating in mock trial not for credit). Students **must** attend the regular class meeting once per week from the second week of classes through the end of the semester's mock trial competitions. In addition to the one class meeting per week, **team practices will be scheduled for approximately 6-7 weeks leading up to a competition.** Mock trial teams, in the weeks leading up to a competition, typically meet for several hours, 3 times per week, including in the evenings and on a weekend day. Mock trial teams also may practice during the regular class meetings during the weeks leading up to the competition. The mock trial competitions require weeks of intense preparation and practice, but are typically completed by early November for the fall term and early April for the spring.

27. **TRIAL ADVOCACY** – Although Evidence is listed as a prerequisite for Trial Advocacy, and that is preferred, the two courses also may be taken concurrently.

FINAL EXAM: The final exam for Trial Advocacy will be the trial of a complete case by a team of two students against another pair of students. These "final exam" trials will be held at the end of the semester on specific dates to be announced later.

Students enrolling or planning to enroll in Trial Advocacy should be aware that attendance at the first class meeting is mandatory. Registered students absent from the first class without a compelling reason may be dropped from the course. Students on the wait list must attend the first class meeting if they hope to get a seat in the class.

28. **CONSORTIUM OF BAY AREA LAW SCHOOLS** - Golden Gate University School of Law is part of a consortium of five law schools, including University of San Francisco School of Law, Santa Clara University School of Law, UC Davis Law School, and UC Berkeley School of Law. Upper-division students who are interested in taking a course at any of these institutions must complete a **Transfer of Units** form and submit it with a course description of the course they want to take to the director for law student services. If permission is given, the student must register for this

Consortium course, LAW 701, and then complete a **Consortium Agreement form** (available at the Law Registrar's Office). Tuition is paid to Golden Gate University, not to the host school where the consortium class is taken.

If Consortium classes are dropped, remember that they must be dropped at both schools.

29. **COMPETITIONS/MOOT COURTS** - Participation in these programs is limited to students chosen for participation in accordance with a selection process administered by the faculty adviser/coach.
