GGU4YOU

All students should ensure they are able to login to GGU4YOU, the university's Web-based student information system at www.ggu.edu. GGU4YOU is used for online registration, to obtain exam numbers, to view class schedules, grades and program evaluations, and to order an official transcript. Students who do not know their username or password should go to www.ggu.edu/law/ggu4you for assistance. Students who still are unable to login should send a message to help@ggu.edu requesting assistance.

Students are encouraged to utilize GGU4YOU for web registration, but the following transactions cannot be done online and will require submission of a paper form:

- First-year JD students will be assigned to course sections and their registration will be processed by the Registrar's Office for their first fall and spring terms. No form is required. Part-time JD students will also be enrolled in Constitutional Law I, Criminal Law and Property by the Registrar's Office for their second fall semester.
- Students will generally not be able to use Web registration for courses that require the approval of the associate dean, program director, or instructor for enrollment.
- Students enrolling in courses for which they have not completed the prerequisites at GGU will not be able to use Web registration for that course will require the approval of the instructor or program director.
- JD students who need an approved waiver of rules to exceed the maximum units for their program type (16 units for students in full-time programs or 12 units for students in part-time programs) will not be able to enroll online for any units above the limit. For the summer term the maximum enrollment is 8 units regardless of academic program, except for HLP, and the Summer Trial & Evidence Program (1st STEP). Non-GGU summer programs are limited to 6 units.

“Express Registration” is a faster way for students to register online than using the “Search and Register” page. Students can use this method to quickly add course sections to their “Preferred Sections List” if they already know exactly which ones they want. All course sections available for online registration include an “Xpress ID” number. The numbers are published in the *Course Schedule* and on the GGU website.

Once their registration has been processed, either online or manually, students may view the courses in which they are registered by logging in to GGU4YOU and selecting ‘View My Course Schedule’ from the menu on the ‘Registration’ page.

PRIORITY REGISTRATION INSTRUCTIONS

Priority registration is available to all continuing students. Priority registration for JD students is made available, as indicated in the table below, based on the anticipated graduation date on record with the Registrar's Office when the priorities are assigned. Students are encouraged to utilize Web registration via GGU4YOU at www.ggu.edu during the priority registration periods listed. Web registration will become available to eligible students in each group at 12:01 AM on the date listed. Students who encounter problems with online registration should contact the Law Registrar's Office at lawreg@ggu.edu with specific information on what error message they received when they submitted their registration. Students who experience problems with online registration can always submit a paper *Registration Request* form, which can be downloaded from the law school website Law Registrar 'Forms' page.

Group Number	Priority Group Members	Priority registration start date
1	July 2015 and December 2015 JD graduation candidates, all LLM & SJD students	Wednesday, March 18
2	All Other JD part-time evening students	Monday, March 23
3	May 2016 JD graduation candidates	Wednesday, March 25
4	All other continuing JD students	Wednesday, April 1

The Law School Registrar's Office staff will process paper registration forms that have been received during the same priority registration periods that Web registration is made available to each group of students. Forms are processed in random order, not in the order received, and forms submitted in person will not be processed before those that are mailed or

WAIT-LIST INFORMATION

When a course section is full, students who request enrollment may be wait-listed for that section. Students who are on a wait-list are **not enrolled in the course and are not charged** for it until or unless a seat becomes available and they add the course.

Wait-listed students will be notified by e-mail if a seat in the course section becomes available before the first day of instruction for the term. This message will be sent to the e-mail address on file with the Registrar's Office. Because there may be other students eager to enroll, a time limit will be set for the notified student to add the course. Students who are notified there is a seat available may add the course via GGU4YOU if they have no restrictions that would prevent them from doing so, or they may submit a [Registration Request](#) form to the Registrar's Office. If a student does not add the course by the deadline given, their permission to enroll will expire and they will be removed from the wait-list.

Once instruction for the term has begun, the wait-list no longer applies and students may enroll in a wait-listed course only with the instructor's approval.

It is recommended that wait-listed students attend the first class meeting and bring a [Registration Request](#) form. Some instructors will not accept students who have missed the first class meeting without an excused absence. Sometimes instructors will allow wait-listed students to enroll if there are additional seats available in the classroom, but the capacity of some sections may be limited by other considerations. If the instructor will sign a student's [Registration Request](#) form, and there is space in the classroom, the student may be enrolled regardless of the student's wait-list status.

Students who are wait-listed for a course and have decided not to enroll in it should remove themselves from the wait-list online or by notifying the Registrar's Office at lawreg@ggu.edu as soon as possible to allow other students a better opportunity.

SPECIAL MATERIALS & LITIGATION PROGRAM SUPPORT FEES

The School of Law assesses Special Materials fees in courses that require excessive amounts of duplicated materials.

These fees are also charged in courses that involve regular use of extra audio-visual equipment, rental of off-campus facilities, use of the Moot Court Room, or other use of extraordinary resources.

Notes on fees

1. A list of courses for which a Special Materials Fee is assessed is posted on the law school website on the Law [Course Schedule](#) page and on the [Tuition & Fees](#) page.
2. All fees will appear on the students' *Statement of Charges*.
3. Fees are non-refundable, effective on the first day of instruction for the term. When a student drops a course that has a Special Materials Fee after that date, the student may receive a credit for the Special Materials Fee only if the course is dropped on or before **Monday, June 8, 2015**. The special materials must be returned by the same date in an unused condition to Paul Gibson, Director, Administration & Technology Services. If these conditions are met, Paul Gibson will approve the request for a credit for the Special Materials Fee and will instruct Student Accounting Services to make an account adjustment.

OBLIGATION FOR PAYMENT

Registration constitutes a financial contract between students and the university. Students' rights to university services and benefits are contingent upon making payments as agreed. Students who fail to make payments when they become due may have their registration canceled, services withheld, and may be refused admittance to exams. Also, failure to fulfill payment obligations is reportable to relevant bar admission agencies.

In order to complete registration, law school students must either pay all of tuition and fees within five (5) business days of the start of the term (or at the time of registration if registering after the first week of the term), or select one of the other approved payment options. Information on payment methods can be found online through the law school website or on the back of the Statement of Charges. The payment deadline for the Summer 2015 term is **Monday, June 1, 2015**.

Student Accounting Services (SAS) may place a hold on the records of students whose accounts are not current, and they will not be allowed to register without the authorization of SAS. Holds also may be placed on students' records by other offices such as the Registrar's Office or International Student Services, if there are issues that must be resolved before registration. If there is a hold on a student's account, that student will not be allowed to register until the office that instituted the hold has removed or waived it.

JD STUDENTS WITH ADVISING REQUIREMENTS

JD students who have been informed that they must have their schedules approved prior to registration must follow these steps:

1. Review the semester course schedule and scheduling notes, list of required and recommended courses, and any additional requirements as imposed by the Academic Standards Committee or Law Student Services. Students may confirm their requirements by viewing their program evaluation report. See Academic Program Evaluation Report section on page 6, for instructions for viewing your report.
2. Make an appointment with the associate dean or director for student services by visiting Law Student Services or calling 442-6615. Please schedule an appointment for at least one week prior to the start of your priority registration period.
3. Bring two copies of the completed [Advising Agreement](#) form to your appointment for approval. Once the form has been approved, the Registrar's Office will be instructed to grant you access to Web registration. Any changes to your schedule will require prior approval.
4. Register for courses online. See the Law School Web Registration Instructions for step-by-step instructions.
5. Failure to enroll in all and only the approved courses will be considered a violation of the Standards of Student Conduct and could be grounds for dismissal and/or may trigger the imposition of late fees.

Students who complete these steps in a timely fashion will maximize their course selection and scheduling options.

JD STUDENT ACADEMIC ADVISING NOTES

Fall 2014 admitted JD students (with the exception of students in the HLP Program and the 1st STEP) may register for summer term online via GGU4YOU if they have no restrictions preventing them from doing so.

Upon completion of their first year, students are expected to select their own schedules, and they are encouraged to sign up for an academic advising appointment in Law Student Services to plan their academic careers. Students must complete **88 units** to graduate. Students are advised to consult the Schedules & Course Descriptions section of the Student Handbook <http://law.ggu.edu/law/law-student-services/organizations-and-student-life/student-handbook> and this Web page <http://law.ggu.edu/law/academics/degree-programs/juris-doctor-full-time-program#curriculum> for additional information and assistance.

ACADEMIC PROGRAM EVALUATION REPORT

The Registrar's Office maintains the Law School's academic program requirements in the student information system. Academic program requirements include required GPAs, required total units, required courses, conditions imposed by the Academic Standards Committee, and the number of elective units needed. Students can view their academic program evaluation report online using GGU4YOU. It is a useful tool for schedule planning prior to registration. To view their reports, students should login to GGU4YOU, select "Academic Advising" and from the menu select "View My Program Evaluation Report". When students have registered for their last term their report status should say "Pending (Anticipated complete)". Students with questions may visit the Registrar's Office or call 415-442-6620.

INCOMPLETE COURSES

Where exigent circumstances arise that prevent a student from fulfilling the requirements of a course by the end of the term, the student may submit a *Petition for Incomplete Course*. For more information on petitioning for an incomplete course, please refer to the [Student Handbook](#) which can be found on the law school website under Law Student Services.

If a student's petition for an incomplete course is successful, the student should **not** drop the course.

Students who are completing a course by re-enrolling should not register for the course again. Instead, they should submit a [Notice of Intent to Complete Course](#) form to the Law School Registrar's Office. Upon receipt of that form, students will be enrolled in their preferred course section, provided there is room, at no tuition charge. Units for courses students are completing under this policy at no tuition charge are not included in calculating their cost of attendance for financial aid purposes. Students who are enrolling only in courses they are attempting to complete, and who are not enrolling in any new courses, will be charged the fees for the term, but no tuition.

ENROLLMENT STATUS CLASSIFICATIONS FOR FINANCIAL AID PURPOSES

The Law School classifies students' enrollment status based on academic level and the number of units in which they are enrolled in a given term. These enrollment status classifications are used for verification of enrollment for loan deferment purposes and for financial aid eligibility. It is possible for part-time evening students to be enrolled in 12 units and therefore be classified as full-time for financial aid purposes.

Fall & Spring terms	Overload	Full-time	Three-quarter Time*	Half-time	Less than half time
JD Students	17 units maximum	12-16 units	9-11 units	6-11 units	5 units or less
LLM Students	13 units or more	8-12 units	5-7 units	4-7 units	3 units or less

Summer term	Overload	Full-time	Three-quarter Time*	Half-time	Less than half time
JD Students	9 units or more**	6-8 units	5 units	3-5 units	2 units or less
LLM Students	7 units or more	4-6 units	3 units	2-3 units	1 unit or less

* The three-quarter time enrollment status is used only for VA benefits determination.

**Except HLP or 1st STEP students.

JD STUDENT EMPLOYMENT LIMITATIONS

JD students are prohibited from being employed in excess of 20 hours per week during any week in which the student is enrolled in more than 12 semester units. (Hours worked for clinic credit are not counted towards the 20 hours.) The School of Law prohibits first year full-time students from being employed at all. Failure to comply with these requirements may be considered a violation of the Standards of Student Conduct. Full-time upper division students who anticipate that they will be employed more than 20 hours per week during the semester must request a change to the part-time academic program.

FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT (FERPA)

The Family Educational Rights & Privacy Act affords students certain rights with respect to the privacy of their education records. One of the rights under FERPA is the right to request non-disclosure of "directory information" without written authorization. For more detailed information about what the university classifies as "Directory Information" or about students' rights under FERPA, see the link in the text on the [Law Registrar page](#) of the law school website, or go to the Department of Education website at www.ed.gov, or refer to 34 CFR 99. The [Request to Prevent Disclosure of Directory Information](#) form is available on the law school website Law Registrar 'Forms' page.

TEXTBOOK INFORMATION

Textbook/course material information, including title, author, and ISBN number will be available at the “View Materials” link in the online course schedule on the section detail page for each course section.

CLASSROOM ASSIGNMENTS

Classroom assignments are not included in the published schedule because classrooms may change. While room assignments may be printed on a students’ Statement of Charges, students should be aware that **classrooms are subject to change**. Students should check the lists posted on the 2nd and 3rd floors at the start of the term to verify classroom assignments. After the start of the term, classroom changes will be posted outside the room from which the course section is being moved and on the Registrar’s bulletin board in the 3rd floor West corridor.

ADVANCE EXAM RESCHEDULING

Students requesting an advance rescheduling of examinations must submit an *Exam Rescheduling Form* by **5:30 P.M. Friday, June 19, 2015**, and then only under the following circumstances:

- i. A student has two School of Law examinations that are scheduled to start within a 23-hour period (not including take home exams and first-year midterms);
- ii. A student has three School of Law examinations on three consecutive days (not including take home exams);
- iii. A student's religious beliefs prohibit the taking of an examination at the scheduled time;
- iv. Student participation in a law school competition or course work for which the student is receiving academic credit.

The law school will determine which exam to move in the case of situation 1 or 2, above. If more than one exam is rescheduled, the exams normally are kept in the same order.

Exams will **not** be rescheduled for vacations, airplane tickets, family events, business conflicts, or conferences. In addition, School of Law exams will not be rescheduled due to conflicts with exams at other law schools or other programs in the university.

Exceptions to this policy **might** be granted (with timely and appropriate documentation) for the wedding of an immediate family member (parent, sibling, child) IF the student has a role in the ceremony AND the student has a direct time conflict.

Students are prohibited from discussing exam reschedule requests with their instructors. All exam reschedule requests or questions must be directed to the law school administration.

(See the on-line Student Handbook Examination Procedures for further information.)

Students may request a decision on an exam rescheduling question before registering or before the last day to drop for 100% tuition refund.
