Editorial Policy Statement

General Information: The ANNUAL SURVEY OF INTERNATIONAL AND COMPARATIVE LAW is published annually by professors and legal scholars of both civil and common law extraction under the auspices of Golden Gate University School of Law's Sompong Sucharitkul Center for Advanced International Legal Studies. Its purpose is to publish scholarly written articles on international and comparative law subjects which the editors believe will be of interest to scholars and practicing lawyers. The published articles do not necessarily express the views of the editors or of the law school. To maintain its international character, the editors have endeavored to preserve the original intent, style and format of each author while following the traditional U.S. approach of uniform citations, yet recognizing that certain scholars may adhere to different rules of presentation of materials slightly different from the American practice. Questions, if any, concerning the authenticity of factual assertions based on non-U.S. sources should be addressed to the authors.

Contributions: The editors welcome submissions of articles for consideration for publication in the ANNUAL SURVEY OF INTERNATIONAL AND COMPARATIVE LAW. The ANNUAL SURVEY reserves the right not to consider submissions which do not conform to the following:

1. **Format requirements:** All manuscripts should be submitted electronically in Microsoft Word format in Times New Roman font and double spaced. Articles must be supported by consecutively numbered footnotes. The technical style of the manuscript should follow that of *The Bluebook: A Uniform System of Citation* (19th ed.), published by the Harvard Law Review Association. The ANNUAL SURVEY recognizes that not all authors may have access to *The Bluebook*. In such cases, the authors should provide detailed information about all sources referenced. All specific factual and legal references should be footnoted.
2. **Electronic copy:** If submitted in hard copy (paper) format, all submissions should be accompanied by a CD Rom disc containing the computer file copy of the article in Microsoft Word format.
3. **Original unpublished work:** Submissions must be original work which has not been accepted for publication elsewhere.
4. **Return of manuscripts:** Manuscripts cannot be returned unless submitted with a self-addressed, postage prepaid envelope.

Manuscripts and any other mail should be addressed to Professor Okeke at cokeke@ggu.edu or, if submitting a hard copy accompanied by a CD, to the ANNUAL SURVEY OF INTERNATIONAL AND COMPARATIVE LAW, Golden Gate University School of Law, 536 Mission Street, San Francisco, CA 94105 USA.
