**AB 1287 (Quirk-Silva) Student financial aid: Cal Grant Program eligibility**

This bill would have established eligibility criteria for Cal Grant award recipients to receive renewal awards who were once determined to be ineligible for a renewal award, as specified, but who subsequently meet the eligibility requirements for a Cal Grant award.

**Veto Message:** *This bill expands Cal Grant eligibility by allowing students who no longer meet financial eligibility requirements to put their Cal Grant award on reserve status until they become eligible. This change results in a costly expansion of the program.*

*While I agree that the current Cal Grant program is not perfect, I am not convinced that AB 1287 is the right solution. I remain committed to helping students succeed and see merit in reviewing the current policy. However, I am reluctant to commit limited state resources to expand the Cal Grant program in this way.*

**Veto Message:** *This bill, which is contingent on the enactment of Senate Bill 284, would authorize the use of the College Access Tax Credit Fund.*

*I was unable to sign Senate Bill 284 due to a technical flaw. As a consequence, this bill cannot become operative.*
