GGU4YOU

All students should ensure they are able to login to GGU4YOU, the university's Web-based student information system at www.ggu.edu. GGU4YOU is used for online registration, to obtain exam numbers and to view class schedules, grades and program evaluations. Students who do not know their user names or passwords should go to www.ggu.edu/law/ggu4you for assistance. Students who still are unable to login should send a message to lawhelp@ggu.edu requesting assistance.

Students are encouraged to utilize GGU4YOU for web registration, but the following transactions cannot be done online and will require submission of a paper form:

- First-year JD students will be assigned to course sections and their registration will be processed by the Registrar's Office for their first fall and spring terms. No form is required. Part-time JD students will be required to use a paper form for registration for their second fall term.
- Students will generally not be able to use Web registration for courses that require the approval of the associate dean, program director, or instructor for enrollment.
- Students enrolling in courses for which they have not completed the prerequisites at GGU will require the approval of the instructor or program director and will not be able to use Web registration for that course.
- JD students who need an approved waiver of rules to exceed the maximum units for their program type (16 units for students in full-time programs or 12 units for students in part-time programs) will not be able to enroll online for any units above the limit. For the summer term the maximum enrollment is 8 units regardless of academic program, except for HLP or summer abroad programs.

"Express Registration" is a faster way for students to register online than using the "Search and Register" page. Students can use this method if they already know exactly which course sections they want, to quickly add them to their "Preferred Sections List." All course sections available for online registration include an "Xpress ID" number. The numbers are published in the *Course Schedule* and on the GGU Web site.

Once their registration has been processed, either online or manually, students may view the courses in which they are registered by selecting "My Course Schedule" from the "Student" menu in GGU4YOU.

PRIORITY REGISTRATION INSTRUCTIONS

Priority registration is available to all continuing students. Priority registration for JD students is made available, as indicated in the table below, based on the anticipated graduation date on record with the Registrar's Office when the priorities are assigned. Students are encouraged to utilize Web registration via GGU4YOU at www.ggu.edu during the priority registration periods listed. Web registration will become available to eligible students in each group at 12:01 AM on the date listed.

Group Number	Priority Group Members	Priority registration start date
1	December 2010 JD graduation candidates, all LLM & SJD students	Wednesday, June 23
2	May 2011 and July 2011 JD graduation candidates	Wednesday, June 30
3	All other continuing JD students	Wednesday, July 7

The Law School Registrar's Office staff will process paper registration forms that have been received during the same priority registration periods that Web registration is made available to each group of students. Forms are processed in random order, not in the order received, and forms submitted in person will not be processed before those that are mailed or before online registration. Forms received after the processing period for a student's priority group will be processed during the next period or during General Registration, whichever comes first. Students using paper registration forms should obtain any necessary approvals before submitting the form; not doing so may delay the student's registration.

Statements of Charges will be mailed to all students who register via paper form. Statements are not automatically mailed to students who use Web registration, but are available upon request from the Registrar's and Financial Aid Offices.

GENERAL REGISTRATION INSTRUCTIONS

Processing during General Registration July 14-August 13, 2010 is on a first-come, first-served basis. Students are encouraged to utilize Web registration via GGU4YOU at www.ggu.edu if they are not precluded from doing so. Students who experience any problems with online registration may always submit a paper registration form, which can be downloaded from the law school website forms page. After registering for a course, if a student decides not to take it, **the student is responsible for dropping the course**, with prior approval if approval is required, either by using GGU4YOU or by submitting a *Schedule Change Request* form to the Law School Registrar's Office. Students may view their current course schedule under "My Course Schedule" from the "Student" menu in GGU4YOU to verify that any schedule changes have been made.

DEADLINES FOR SCHEDULE CHANGES	August 20, 2010:	to add without the instructor's written approval
	August 27, 2010:	to drop without tuition charge, or "W" grade

Fees are non-refundable on or after the first day of the term, Monday, August 16, 2010.

OFFICE HOURS	Law School Registrar's Office (Room 3310)
	Monday - Thursday, 10:00 AM - 6:30 PM
	Friday, 9:00 AM - 5:30 PM

ALL STUDENTS MUST REGISTER BY 6:30 PM ON FRIDAY, August 27, 2010. STUDENTS WHO DO NOT REGISTER BY THIS DEADLINE MAY BE CHARGED A \$100 LATE REGISTRATION FEE.

REGISTRATION - VISITING STUDENTS/AUDITORS

Registration for visiting students, non-degree candidates, and auditors for the fall term is available August 9-13, 2010. Students in these groups are not allowed to use Web registration. Students in these categories, once they are registered, will receive an e-mail providing access information for GGU4YOU, the University's interface to the administrative database, which they can use to view their schedule and grades, obtain their exam ID number or update contact information. For more information, see www.ggu.edu/law/schedules and click on "Registration Instructions." Visiting students are subject to the same academic and administrative policies while here as GGU students and should familiarize themselves with the current Student Handbook which can be found online at www.ggu.edu/law under Law Student Services.

OBLIGATION FOR PAYMENT

Registration constitutes a financial contract between students and the university. Students' rights to university services and benefits are contingent upon making payments as agreed. Students who fail to make payments when they become due may have their registration canceled, services withheld, and may be refused admittance to exams. Also, failure to fulfill payment obligations is reportable to relevant bar admission agencies.

In order to complete registration, law school students must either pay all of tuition and fees within five (5) business days of the start of the term (or at the time of registration if registering after the first week of the term), or select one of the other approved payment options. Information on payment methods can be found online through the law school website or on the back of the Statement of Charges. The payment deadline for the fall 2010 term is Friday, August 20, 2010.

Student Accounting Services (SAS) may place a hold on the records of students whose accounts are not current, and they will not be allowed to register without the authorization of SAS. Holds also may be placed on students' records by other offices such as the Law School Registrar's Office, or International Student Services, if there are issues that must be resolved before registration. If there is a hold on a student's account, that student will not be allowed to register until the office that instituted the hold has removed or waived it.

TEXTBOOK INFORMATION

Textbook/course material information for fall courses, including title, author, ISBN number is available at a link in the online course schedule.

JD STUDENTS WITH ADVISING REQUIREMENTS

Students who have been informed that they must have their schedules approved prior to registration must follow these steps:

1. Review the semester course schedule and scheduling notes, list of required and recommended courses, and any additional requirements as imposed by the Academic Standards Committee or Law Student Services. Students may confirm their requirements by viewing their program evaluation report. See Academic Program Evaluation Report section, on page 8, for instructions for viewing your report.
2. Make an appointment with the associate dean or director for student services by visiting Law Student Services or calling 442-6615. Please schedule an appointment for at least three school days prior to the start of your priority registration period.
3. Bring two copies of the completed [Advising Agreement](#) form to your appointment for approval. Once the form has been approved, the Registrar's Office will be instructed to grant you access to Web registration. Any changes to your schedule will require prior approval.
4. Register for courses online. See the Law School Web Registration Instructions for step-by-step instructions.
5. Failure to enroll in all and only the approved courses will be considered a violation of the Standards of Student Conduct and could be grounds for dismissal and/or may trigger the imposition of late fees.

Students who complete these steps in a timely fashion will maximize their course selection and scheduling options.

JD STUDENT ACADEMIC ADVISING NOTES

Fall 2009 full-time admits (with the exception of students in the HLP program) are required to take Constitutional Law I in the fall 2010 semester. Constitutional Law II is to be taken in the spring 2011 semester. Students are advised to take at least 3 required courses in their fall 2010 semester including: Constitutional Law I, Evidence or another 4-unit class, Criminal Procedure I, and/or Appellate Advocacy to the extent that there is room in the fall sections (see note #4 on page 21). Note that all Fall 2009 admits MUST take Appellate Advocacy in the fall or spring of their second year.

Fall 2009 HLP admits are encouraged, but not required, to enroll in 3-5 units during their fall apprenticeships. HLP students may add a sixth unit only with prior approval from the HLP Committee.

Fall 2009 part-time admits must enroll in 8-12 units which must include Constitutional Law I, Property I, and Criminal Law (if not already taken) in the fall 2010 semester. Students will be required to take Constitutional Law II and Property II in the spring 2011 semester. Part-time students seeking to take 11 units are advised to take Appellate Advocacy (see note #4 on page 21). Note that all fall 2009 admits MUST take Appellate Advocacy in the fall or spring of their second year. **Web registration is not available to fall 2009 part-time admits.** They must submit registration forms. Students are encouraged to seek academic advising from the Director or Associate Dean for Student Services.

Students who decide not to enroll in the fall 2010 term must complete a *Withdrawal from Law School* form, or *Request for Leave of Absence* form. In addition, if they have already registered, they must drop their courses via GGU4YOU or submit a *Schedule Change Request* form to the Law School Registrar's Office by Friday, August 27, 2010, to withdraw from courses and receive a full refund of tuition charges. Term fees are non-refundable once the term has started on Monday, August 16.

Upon completion of their first year, students are expected to select their own schedules, and they are encouraged to sign up for an academic advising appointment in Law Student Services to plan their academic careers. Students must complete **88 units** to graduate, including 57 required units and 31 elective units. Students are advised to consult the Schedules & Course Descriptions section of the Student Handbook http://www.ggu.edu/school_of_law/law_student_services/student_handbook and this Web page www.ggu.edu/school_of_law/law_records_registration/course_descriptions/jd_required_courses for additional information and assistance.

JD STUDENT EMPLOYMENT LIMITATIONS

ABA Standard 304(f) prohibits JD students from being employed in excess of 20 hours per week during any week in which the student is enrolled in more than 12 semester units. (Hours worked for clinic credit are not counted towards the 20 hours.) The School of Law prohibits first year full-time students from being employed at all. Failure to comply with these requirements may be considered a violation of the Standards of Student Conduct. Full-time upper division students who anticipate that they will be employed more than 20 hours per week during the semester must request a change to the part-time academic program.

WAIVER OF JD PROGRAM RULES

All JD students are enrolled in either a "full-time" or "part-time" academic program. Full-time students may enroll in a maximum of 16 units per fall or spring semester, as long as they comply with the ABA employment limitations set forth in ABA Standard 304(f) as described in the previous section. Part-time students may enroll in a maximum of 12 units per fall or spring semester. Students in both types of programs may enroll in a maximum of 8 units in the summer session, except for students studying abroad and those in the Honors Lawyering Program. Students who want to enroll in overload units for their program types must first complete a *Petition for Waiver of JD Program Rules* form and submit it to the director for student services for approval. Registration for overload units will not be processed unless the approved petition form is on file with the Law School Registrar's Office. Students requiring a waiver of rules may not register for overload units online via GGU4YOU. Please note that these enrollment maximums do not relate to the requirements for eligibility for financial aid or VA benefits. Financial aid and VA benefit eligibility is based on students' term enrollment status classifications, not their program types.

WAIT-LIST INFORMATION

When a course section is full, students who request enrollment may be wait-listed for that section. Students who are on a wait-list are **not enrolled in the course and are not charged** for it until or unless a seat becomes available and they add the course.

Wait-listed students will be notified by e-mail if a seat in the course section becomes available before the first day of instruction for the term. This message will be sent to the e-mail address on file with the Registrar's Office. Because there may be other students eager to enroll, a time limit will be set for the notified student to add the course. Students who are notified there is a seat available may add the course via GGU4YOU if they have no restrictions that would prevent them from doing so, or they may submit a *Schedule Change Request* form to the Law School Registrar's Office. If a student does not add the course by the deadline given, their permission to enroll will expire and they will be removed from the wait-list.

Once instruction for the term has begun, the wait-list no longer applies and students may enroll in a wait-listed course only with the instructor's approval.

It is recommended that wait-listed students attend the first class meeting and bring a *Schedule Change Request* form. Some instructors will not accept students who have missed the first class meeting without an excused absence. Sometimes instructors will allow wait-listed students to enroll if there are additional seats available in the classroom, but the capacity of some sections is limited by other considerations. If the instructor will sign a student's *Schedule Change Request* form, and there is space in the classroom, the student may be enrolled in the course section regardless of the student's wait-list status.

Students who are wait-listed for a course and have decided not to enroll in it should remove themselves from the wait-list online or by notifying the Law School Registrar's Office at lawreg@ggu.edu as soon as possible to allow other students a better opportunity.

ENROLLMENT STATUS CLASSIFICATIONS FOR FINANCIAL AID PURPOSES

The Law School classifies students' enrollment status based on academic level and the number of units in which they are enrolled in a given term. These enrollment status classifications are used for verification of enrollment for loan deferment purposes and for financial aid eligibility. It is possible for part-time evening students to be enrolled in 12 units and therefore be classified as full-time for financial aid purposes.

Fall & Spring terms	Overload	Full-time	Three-quarter Time*	Half-time	Less than half time
JD Students	17 units or more	12-16 units	9-11 units	6-11 units	5 units or less
LLM Students	13 units or more	8-12 units	5-7 units	4-7 units	3 units or less

Summer term	Overload	Full-time	Three-quarter Time*	Half-time	Less than half time
JD Students	9 units or more**	6-8 units	5 units	3-5 units	2 units or less
LLM Students	7 units or more	4-6 units	3 units	2-3 units	1 unit or less

* The three-quarter time enrollment status is used only for VA benefits determination.

**Except HLP students.

INCOMPLETE COURSES

Where exigent circumstances arise that prevent a student from fulfilling the requirements of a course by the end of the term, the student may submit a *Petition for Incomplete Course*. To receive approval for an incomplete, JD students must obtain the approval of the director for student services, and LLM and SJD students must obtain the approval of their program director. The instructor's approval also is required for courses NOT graded by a final exam. JD students should immediately consult with the associate dean or director for student services should they feel the need to petition for an incomplete. For more information on petitioning for an incomplete course, please refer to the Student Handbook which can be found on the law school website at http://www.ggu.edu/school_of_law/law_student_services/student_handbook.

If a student's petition for an incomplete course is successful, the student should not drop the course.

Students who are completing a course by re-enrolling should not register for the course again. Instead, they should submit a *Notice of Intent to Complete Course* form to the Law School Registrar's Office. Students will be enrolled in their preferred course section, provided there is room, at no tuition charge. Units for courses students are completing under this policy at no tuition charge are not included in calculating their cost of attendance for financial aid purposes. Students who are enrolling only in courses they are attempting to complete, and who are not enrolling in any new courses, will be charged the fees for the term, but no tuition.

EFFECT OF INCOMPLETE COURSES ON GRADUATION

If a student has an outstanding incomplete course at the end of the term after which they intend to graduate, he or she must resolve it by the deadline indicated below or the student's graduation will be postponed until the term in which the course is completed. The deadline for resolving an incomplete grade before it is changed to a "W" for "Withdrawn" is not altered by these deadlines.

ACADEMIC PROGRAM EVALUATION REPORT

The Registrar's Office maintains the Law School's academic program requirements in the student information system. Academic program requirements include required GPAs, required total units, required courses, conditions imposed by the Academic Standards Committee, and the number of elective units needed. Students can view their academic program evaluation report on the Web using GGU4YOU. It is a useful tool for schedule planning prior to registration. To view their reports, students should login to GGU4YOU, click on the "Student" tab and from the menu select "Evaluate Degree Programs". When students have registered for their last term, their report statuses should say "Pending (Anticipated complete)". Students with questions may visit the Registrar's Office, room 3310, or call us at 415-442-6620.

FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT (FERPA)

The Family Educational Rights & Privacy Act affords students certain rights with respect to the privacy of their education records. One of the rights under FERPA is the right to request non-disclosure of "directory information" without written authorization. For more detailed information about what the university classifies as "Directory Information" or about students' rights under FERPA, and to obtain a privacy request form, see the university's website at www.ggu.edu/about/UniversityPolicies/PrivacyPolicy, or go to the Department of Education website at www.ed.gov, or refer to 34 CFR 99.

SPECIAL MATERIALS & LITIGATION PROGRAM SUPPORT FEES

The School of Law assesses Special Materials fees in courses that require excessive amounts of duplicated materials.

These fees are also charged in courses that involve regular use of extra audio-visual equipment, rental of off-campus facilities or use of the Moot Court Room. With respect to courses in the Litigation Program, the following fee schedule has been designed to distribute the costs among program participants:

<u>Litigation Course</u>	<u>Fee</u>
Trial Advocacy	\$52.50
Basic Skills/Substantive Courses	\$21.00
Mock Trial Course and Competition	\$52.50
Advanced Skills/Practicum Courses	\$10.50

The **Trial Advocacy** fee will defray the extraordinary costs including rental of audio-visual equipment, bailiffs and courtroom security, and expenses for non-faculty attorneys who assist with the course.

The **Mock Trial** fee will defray extraordinary costs including rental of audio-visual equipment, bailiffs and courtroom security, and expenses for non-faculty attorneys who assist in evaluating student work and costs associated with participation in inter-school trial competitions.

Notes on fees

1. In the event that a litigation course may also require duplication of special materials, the cost of the special materials will be added to the litigation program support fee.
2. All fees will appear on the students' *Statement of Charges*.
3. Fees are non-refundable, effective on the first day of instruction for the term. When a student drops a course that has a Special Materials Fee after that date, the student may receive a credit for the Special Materials Fee only if the course is dropped on or before **Friday, August 27, 2010**. The special materials must be returned by the same date in an unused condition to Associate Dean Greg Egertson. If these conditions are met, Dean Egertson will approve the request for a credit for the Special Materials Fee and will instruct Student Accounting Services to make an account adjustment.

A list of courses that have a special materials fee is posted on the law school Registrar's Office [Bulletin Board](#)

STUDENT HEALTH INSURANCE

All law students will be required to have health insurance. Students who are already enrolled in a health insurance plan providing comparable benefits may waive participation in the Law School health insurance plan by submitting an online waiver application. The waiver is effective for one academic year, fall 1010-summer 2011. The opt-out period for fall is June 15 to August 1, 2010. For students who have not opted out the health insurance fee will be charged to your account at registration for fall, and then for spring for the spring & summer terms. Graduate legal studies students who are enrolled in 3 units or less per semester are exempt from the health insurance requirement. However, students in this group will need to submit a waiver verifying their enrollment status. The student health insurance plan may be extended to students not enrolled in classes due to an approved leave of absence, visiting away at another school, or working in an approved externship. For more information see the law school website under Law Student Services or the Student Handbook.

SCHEDULE CHANGES

Every term, changes are made to the course schedule after it is published. Courses may be added or canceled, class meeting days or times may be changed and instructors may be entered. Changes made after the course schedule is published will be posted in a running list as a PDF document on the course schedule page for the term on the law school website http://www.ggu.edu/school_of_law/law_records_registration/class_schedules.

After the course schedule is posted on the website, the online schedule will be updated as changes are made. Consequently, the online schedule on the Web will be the most current.

CLASSROOM ASSIGNMENTS

Classroom assignments are not included in the published schedule because classrooms may change. While room assignments may be printed on a students' Statement of Charges, students should be aware that **classrooms are subject to change**. Students should check the lists posted on the 2nd and 3rd floors at the start of the term to verify classroom assignments. After the start of the term, classroom changes will be posted outside the room from which the course section is being moved, and on the Registrar's bulletin board in the 3rd floor West corridor. Students enrolled in the class will be notified of changes by email on the day before, whenever possible.

COURSE DESCRIPTIONS FOR FALL 2010 NEW COURSES

LAW 870D Contemplative Lawyering (2 units)

Contemplative Lawyering will expose students to meditation and other contemplation methods through practice, reading and class discussion, to enable students to develop an awareness of the way the mind works according to current scientific thinking and ancient meditation-based treatises. This will form the foundation for an exploration of what it means not only to think like a lawyer, but also to think like a human being. In class and for homework students will have sanctioned time for quiet and reflection, which will allow their minds to become more tranquil, focused and visionary. From that platform students will learn how the cultivation of tranquility, focus and vision can improve essential lawyering skills like speaking, listening, reading, writing, analysis, counseling, negotiation and advocacy. Students will also experience how these qualities of mind can lower stress and create greater access to inspiration and happiness in the study and practice of law, and in general.

LAW 826B Debtor's Rights & Creditor's Remedies (2 units)

This course is an overview of some of the legal issues contemporary debtors and creditors face. The course looks briefly at the system's major debtor protections laws (e.g., bankruptcy, usury, homesteads, truth in lending, predatory lending & fair debt collection laws), and at the mainstream creditor enforcement devices (e.g., foreclosure of real estate mortgages, repossession of personal property security interests, workouts and loan modifications), as well as at the post-judgment remedies of unsecured creditors. Additionally, the course will cover inter-creditor conflicts over priorities and loan transfers (secondary market). Recommended for students who do not intend to take the full, more comprehensive courses in Secured Transactions, Real Estate Finance, and Bankruptcy.

LLM 334L Estate Planning Lab (1 unit)

This course uses exercises designed to illustrate the challenges and rewards of the estate planning attorney's professional life. Student participation in role plays and class discussion is required and will be graded. Highly experienced estate planning attorneys will be guest participants and lecturers. The course emphasizes the process of practice, including client communication skills, rather than technical substance or document drafting. Prerequisites: Estate Planning; Estate and Gift Taxation.

LLM 364G Gender, Children & International Law (2 units)

This seminar will examine key legal issues related to women and children within the international context and the relevant responses designed by international law. Each week we will look at current international issues such as gender discrimination, violence against women, women's violence, religious or traditional practices, including female genital cutting and forced child marriages, abortion, sex trafficking and prostitution, women in peace building, women's land and property rights, child labor, child soldiers as well as other war crimes affecting women and children in hostilities.

LAW 893A Intellectual Property Law Writing Seminar (2 units – Fall, 1 unit – Spring)

This is a seminar course for any student, JD, LLM or SJD, who desires to write a law review style paper on a topic involving Intellectual Property Law. The course is taught by Professor Marc Greenberg, co-Director of the IP Law Program, over two semesters. In the Fall term, students will learn, in a classroom setting, how to select a topic for their paper, and how to write an abstract describing their topic and the structure of their article. Developing a research plan and creating the initial outline for the paper will also be discussed, and the research plan and outline will be critiqued. In the Spring term, students will be able to create the first and final drafts of their paper and receive an individual detailed critique of those drafts from Prof. Greenberg. There will not be a classroom component of the course in the Spring term – just individual meetings with Prof. Greenberg.

LAW 839R Reproductive Rights & Justice (2 units)

Going beyond *Roe v. Wade* and its progeny, this course aims to develop students' understanding of the interrelationship of legal rules, politics, ideology, and socio-economic realities that shape reproductive rights and justice. In this seminar, students will be introduced to the meaning behind "reproductive rights" and "reproductive justice" and explore a wide spectrum of related topics, including the types of abortion restrictions upheld since *Roe* and *Planned Parenthood v. Casey*, access to contraception and reproductive health services, implications of new assisted reproductive technologies, the intersections between criminal law and reproductive autonomy, and the U.S. government's role in reproductive rights.

Clinic students will attend a mandatory weekly seminar at CAP, 101 Second Street, Suite 600, each Wednesday from 4:30 to 6:10 p.m., as part of the mentoring and training provided to the students who work as externs at CAP on capital cases. Each clinic student will attend the seminar and additionally work at CAP for 45 hours for each unit of credit. Students may take the clinic for 3 to 4 credits. For more information contact CAP Associate Director Pat Kern at pkern@capsof.org or by phone at (415) 495-0500. Students must be in good academic standing and have completed at

least 29 units. No student may enroll in more than one clinic or judicial externship per semester, and students who have had no clinical courses may receive preference over other students.

10. The **ENVIRONMENTAL LAW & JUSTICE CLINIC (ELJC)** is an in-house clinic, which provides students with intensive training and hands-on lawyering experience. Under close faculty supervision, students provide legal representation on matters addressing environmental justice issues. Clinic students are certified under State Bar of California rules to perform many of the tasks of an attorney: they interview clients, develop legal strategies, draft legal documents, and counsel clients. They also may appear at hearings and negotiate with opposing parties, depending on the Clinic's caseload. Students must have taken or concurrently take Evidence. Students also must have completed an environmental law course or have the instructors' waiver of this requirement. Special scheduling arrangements can be made on a case-by-case basis for night students.

Students who enroll in the Clinic must have the permission of the instructors (see last paragraph) and must concurrently enroll in the Environmental Law & Justice Seminar (Law 834G) for 3 units. Students must enroll in 1-3 clinic credits in addition to the seminar units; students enrolling for 1 clinic credit must work 10.5 hours/week; for 2 credits, 13.5 hours/week; for 3 credits, 17 hours/week. Students may take additional clinic units in subsequent semesters without re-enrolling in the Seminar.

Students who wish to enroll in the Clinic and Seminar should submit a resume and cover letter to Professors Helen Kang (hkang@ggu.edu), Deborah Behles (dbehles@ggu.edu) and to Fe Gonzalez (fgonzalez@ggu.edu) by **May 20, 2010**. Students applying for both the seminar and clinic need submit only one set of materials. Later applications will be considered if space permits. The Clinic offices are located at 40 Jessie Street on the 5th floor. See announcements in Law School News for additional application instructions.

11. The **ENVIRONMENTAL LAW & JUSTICE SEMINAR** is a required companion course to the Environmental Law & Justice Clinic, but it also may be taken by JD or LLM students who are not enrolling in the Clinic. The Seminar explores law and policy issues central to the environmental justice movement, focusing on matters that recur in the Clinic's representation of clients who are disproportionately impacted by pollution; explores the role of lawyers and their ethical responsibility in representing clients from communities overburdened by pollution; and provides skills training that students must master to become effective lawyers, focusing on skills that are necessary for the Clinic's caseload. Students enrolled in the Seminar by itself, without the Clinic component, will be required to fulfill a significant writing requirement.

Students who wish to enroll in the Seminar should submit a resume and cover letter to Professors Helen Kang (hkang@ggu.edu), Deborah Behles (dbehles@ggu.edu) and to Fe Gonzalez (fgonzalez@ggu.edu) by **May 20, 2010**. Students applying for both the seminar and clinic need submit only one set of materials. Priority will be given to students planning to participate in both the clinic and seminar. Later applications will be considered if space permits.

12. **WOMEN'S EMPLOYMENT RIGHTS SEMINAR/CLINIC** is an in-house clinic in which students handle real cases, representing low-income workers from diverse backgrounds in employment disputes in areas including unpaid wages, unemployment insurance, discrimination, workplace harassment, and family and medical leave. Responsibilities include staffing the clinic office and conducting casework. Students must have completed or be concurrently enrolled in Evidence. Prior or concurrent enrollment in Employment Law or Employment Discrimination is helpful but not required. This program is not limited to women students. Students with fluency in Spanish or Cantonese are encouraged to apply. Clinic students will be certified by the State Bar of California, which requires completion or concurrent enrollment in Evidence. Special scheduling arrangements are made on a case-by-case basis for night students.

Students may enroll for 1-3 clinic credits; 1 credit requires 10 hours/week at the clinic office; 2 credits require 12.5 hours/week; 3 credits require 15 hours/week. Enrollment is limited and priority is given to 3rd year students and those who can enroll in 2-3 units.

We currently are accepting applications to the clinics. To apply, please fill out the Clinics Application form found under this link: www.ggu.edu/law/werc. The deadline for applying is **May 20, 2010**.

New students MUST enroll in the Women's Employment Rights Seminar (Law 885S) for 3 units as well. Students, including LLM students, may enroll for the Seminar only, with the permission of the instructor.

WERC offices are located at 40 Jessie Street on the 5th floor. See www.ggu.edu/law/werc, or announcements in Law School News, for additional information.

Membership on Law Review is determined in two ways: by first-year grades (top 15%) or through a writing competition that is held during the middle of the spring semester of the first year. Students who will have completed 29 units of first-year required courses by the end of the spring semester (full-time first-year or part-time second-year students), are eligible to participate in the writing competition or to be invited to join by virtue of class ranking. The student must find a faculty adviser to supervise the Independent Study, and have the faculty adviser and the Director for Law Student Services sign the *Petition for Independent Study* form. Students will not be allowed to petition for an incomplete grade in Law Review. The student's transcript will note withdrawal from Law Review.

23. **ENVIRONMENTAL LAW JOURNAL (ELJ)** - Membership on ELJ is determined in two ways: by first year grades (top 15%) or through an application process held every April and October. Mandatory seminar sessions of not more than 12 hours will be scheduled during the first semester of membership.

The student must find a faculty adviser to supervise the Independent Study, and have the faculty adviser and the Director for Law Student Services sign the *Petition for Independent Study* form. Students will not be allowed to petition for an incomplete grade in the Environmental Law Journal. The student's transcript will note withdrawal from ELJ.

Any changes made in this schedule of final examinations after publication of the schedule will come from the office of the Law Registrar. Revised schedules will be posted on the Law School website Course Schedules page for Fall 2010.

ADVANCE EXAM RESCHEDULING

Students requesting an advance rescheduling of examinations must submit an *Exam Rescheduling Form* to the exam coordinator in Room 3342 by 6:30 P.M. Friday, November 5, 2010, and then only under the following circumstances:

- i. A student has two School of Law examinations that are scheduled to start within a 23-hour period (not including take home exams and first-year midterms);
- ii. A student has three School of Law examinations on three consecutive days (not including take home exams);
- iii. A student's religious beliefs prohibit the taking of an examination at the scheduled time;
- iv. Student participation in a law school competition or course work for which the student is receiving academic credit.

The examination coordinator will determine which exam to move in the case of situation 1 or 2, above. If more than one exam is rescheduled, the exams normally are kept in the same order.

FALL 2010 SCHEDULE OF FINAL EXAMS

Exams will **not** be rescheduled for vacations, airplane tickets, family events, business conflicts, or conferences. In addition, School of Law exams will not be rescheduled due to conflicts with exams at other law schools or other programs in the university.

Exceptions to this policy *might* be granted (with timely and appropriate documentation) for the wedding of an immediate family member (parent, sibling, child) IF the student has a role in the ceremony AND the student has a direct time conflict.

Students are prohibited from discussing exam reschedule requests with their instructors. All exam reschedule requests or questions must be directed to the examination coordinator.

(See the on-line Student Handbook Examination Procedures for further information.)

Students may request a decision on an exam rescheduling question before registering or before the last day to drop for 100% tuition refund.

ExamSoft

All students are eligible to take their exams on their laptop. No additional registration or fee is necessary, but, the software must be installed prior to the student's first exam date. For minimum system requirements, go to www.examssoft.com/ggulaw. Installation and login instructions will be posted in *Law School News* and on the Law School website. All other communications will be sent through the email address on file with the Law Registrar. Please confirm that this address is working and correct. For any questions or technical assistance, please contact the Exam Coordinator at 415.369.5201 or lawexam@ggu.edu.

Visiting Students: All visiting students should contact the exam coordinator if they wish to use their laptops on exams while at Golden Gate University School of Law.

Exam Accommodations

Students with a need to request exam accommodations should contact the Disability Services Coordinator at 415.442.7867 or lawds@ggu.edu.
